## Run #2679, Alawa ovals, Gropa.

Visitor Bubbles and returners Skiddy and Balldangles help make up the numbers for those away down south. The GM was busy chasing his dog which was busy chasing plovers all over the oval. Funny to watch as Leo the dunny brush white dog barked its guts out as Sexon tried to keep it quiet. Twenty minutes later, GM caught the dog and was too fucked to do the run. 🏃🏃.

### Where is Mucking Funkey?

Two trails on pink tape and blue chalk, through the badlands of Alawa then Nakara. On on through the NTU then looping back and on home. Massive clumps of mature Gamba grass growing wild next to the trail at the back of the Uni. Naughty naughty.

**And, yes, the keg was pouring beautifully.** 🍺🍺.

Dibba Dobba walked from Brinkin to the run and prompted a reshuffle of chairs, mine specifically.

A few minutes of socialising, topping up of drinks and a bit of bullshit and it is time for the circle.

### Visitor:

Bubbles from Norway no, on his way home from Interhash in NZ via Darwin and south east Asia. Down down and a Norwegian would wood verse courtesy of St Physio 😂. Presented with a prized DH3 Stakeout singlet.

### Returners:

Skiddy and Balldangles front the GM and are promptly despatched with suitable down downs. 🍺🍺.

### Jokes/fines/bullshit and Trivia

Not funny but, the extraordinary revelation that HIV and Enola have celebrated their fortieth wedding anniversary. In a rare (DH3) moment of affection, HIV and Enola decided to share the event with the pack, which, suitably went aah, that's noise hey. On on you basturds.

Noise from circle likened to bay 13. Bubbles and the camouflage joke.

### Chookfucka:

Oh what a feeling, Chookfucka!!

The current guardian Concrete Boots did his best to unload the yellow peril to TTBoy but was outranked by the GM, who flick passed the chook to Guest in absentia. A dirty bbq plate the grime crime.
