27th Mei 2024 Run 2689

HIV & Enola – Bucket St Malak

The Run:

Marked on chalk the trail led through the highs & lows of the suburb of Malak. The trail must have been clearly marked as there were a bunch of people who turned up to the Piss Stop.

Towjob who arrived late but still managed to do the run. He measured the course at 5 dogs chasing him and 3 people trying to accost him. So somewhere between 2 & 4 Malak miles.

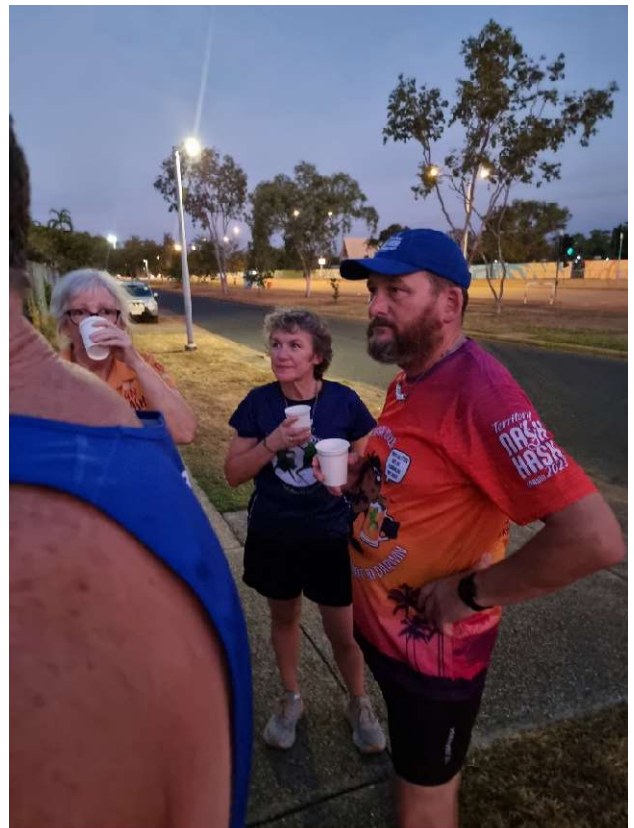

And look kiddies – TTB sent a photo.

First into the drink stop were visiting runners **Power Pumper & Chucky**.

Not to be out done **Tastee's Toy Boy** turned up so late we were returning from the drink stop by the time he had arrived. It appears he was somewhere between Tindall & Darwin trying to get up to 8000' when the run started.

So although we were back at the circle and the runners were testing the libations, he launches off into the dark to try and find chalk.

Visitors & the Piss Stop

The Circle

With 17 Hashers in the circle enjoying the libations, Acting GM (OOps) commences the circle with visiting/returning runners. It seems Tastees Toy Boy made both visitors Power Pumper & Chucky cum.

Rocketman googling Cialis prices in Bali

Rocketman who previously advised he would be away for a few weeks, returned after 1 week away to advise he was again going away for a few weeks. But this time to Bali. Seems he got a few good tips from Physio & Bitta on some septuagenarian hookers.

OOps then produces and reads a letter addressed to Dear Teacher GM OOps. She continues, "Cricket is not the boy he used to be. He used to be able to pick up heavy things, but not anymore. Please

excuse him from boosteross activities and let him do as little as possible. Signed His Mum."

Mrs His Mum's little boy Cricket

Discussion then ensued about Hash Piss nominees. Unfortunately the current result is you will need to bring your own piss for the next week or so. So visitors don't forget to bring a couple of beers each next week.

The Tucker;

Enola had prepared noodles, meatballs, battered Barra (caught by **HIV** @ Daley River) and her special ginger & garlic sauce.

Enola's Fashing Buddha

Hares – What did we think of the run? HIV & Enola

Cricket put it best when he said “I think **Towjob** summed it up perfectly when he said, we were quite enjoying it when suddenly it turned into .. Harlem, Harlem look alike shithole thing, harlem without the globetrotters There were good bits and some not so good bits, that's all I can say”

All I heard was drinkstop
Fantastic, Incredible 9 out of 10.

It was a shitty trail so the chorus was sung.

Chook Fucker

Full Bottle the recipient 2 weeks ago who forgot to bring it last week, forgot to turn up this week.
