Gash

The Run: 4K

More bitumen than the Stuart Highway

The trail, a circuit of inner Winnellie, with so little shiggy you could have done it on a mobility scooter. Come to think of it, given our demographic it was probably not a bad idea.

On the dot of 6-ish we set out at about the same pace as a thousand pontificating Escargot. It's fortunate that it was a downhill start to help build the pace.

There were a couple of checks, but as the brewery was closed we mostly stayed on trail.

Physio manned the drink stop. I can't remember what it was, but I did enjoy it.

The Circle

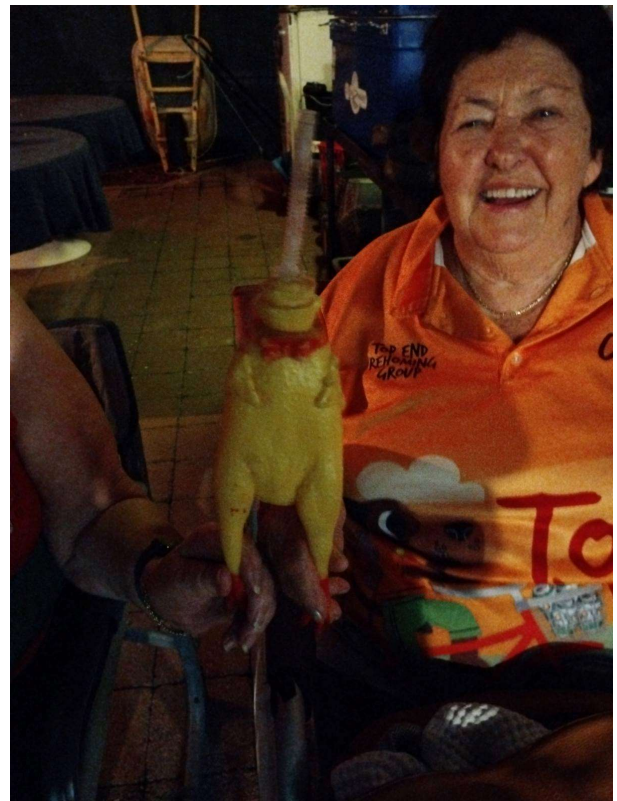

Acting GM **OOps** called the 18-ish hashers to pay attention, (**Rocket man** said that was too expensive and he couldn't afford it) and started off with visitors and returners.

Returning Runners

Grassy Knoll (Albo's Love Child) has returned from East Arm (or Arnhem) and something about checking for refugee boats in Alice Springs. He was welcomed back with the shittiest version of a Hash song that we have heard to date. Bring back **Towjob** I say.

Chook Fucker

Guest brought forward a headless chook. "I have beheaded him" she cried. "It's a straw!" replied **Jensett**. However it was **Barbwires'** fault actually. He had asked **Guest** for a little head. So it appears the chook will stay with guest until it's little head grows back.

Guest and a Headless Chook

Fines

I am regularly asked "What happens if my EV gets a flat battery, how far can I go?" To which I can now reply "About as far as **Physio** does in his van when he leaves the headlights on for ten minutes at the drink stop." However his van is so tiny, the ever-resourceful **Physio** was able to start it by plugging in and using his phone battery. "Your Stupid your stupid your really..." was sung.

Good Thing tried to fine **Grope Her** for not following her/going the wrong way. The sound of "Chicken in Choppers" or "Yanks in Ospreys" drowned out the "Bullshit, bullshit" song reply.

Of course I didn't
mean to offend you.

It WAS a huge bonus though.

Sexon was apparently caught going into the Massage Parlour on the run. Seems she forgot to clock off when she finished work. **Sexons** business logo is "Cervix with a smile."

Jokes

OOps gave the (Readers Digest Condensed version) one about the priest leaving town, when one lass asked her husband what they should give him the reply was "Fuck Him"

The Hares - Gash

Embarrassed as he is coming from Rapid Creek, **Gash** decided rather than asking Hash to slum it, he would set his run from the trendy downtown suburb of Winnellie. This allowed **Monkey**, (who would never be seen dead in Rapid Creek) to fire up his trusty 2 wheeled steed and ride the treacherous 2 furlongs to the run site, which fortunately boosted our bearded quotient to a highly respectable number.

But to the highlights, **Gash** trying to push **OOps** through a hole in the fence, she must have been trying to back up as it took about 4 & ½ minutes. And **Sexon** silhouetted against the sunset atop the cliffs overlooking Tiger Brennan Drive.

Such an elite and trendy suburb is this Winnellie.

Score – Perilous (**Cricket**)’ 2A out of 34%, Shitty T-R-A-I-L.....

Physio’s Thought of the Week

“I wish I had listened to what my mother told me when I was young”

“What did she say?”

“I don’t know, I wasn’t listening.”

Pine Creek Inaugural Winter Solstice Full Moon – Katherine Hash Combined Run

Jensett described it as Absolutely Fantastic Best run I have ever done.

Points

- **Jensett** made it to the bottom of the hill
- We found both Paddy Moriarty & Peter Falconio, but the holes were so deep we left them there.
- **Jensett** won a rats arse (with the help of her team) in the quiz
- Road sign “Soft Mud Drowning Hazard”
- Pussy cats flats
- **Karaoke** against Hash – guess who won
- **Karaoke** against **Krusty** – **Karaoke** wins
- Absolution on Sunday Morning from father **Shaddow**.

Father Shaddow

The Tucker;

Gash did an excellent job with a Sri Lankan Chicken Curry and another dish.

As nobody knew what it was, we all asked, but as he had already partaken a few LBGTI+ $\xi\omega\aleph\zeta\Omega\sqrt{\frac{7}{8}}$ beers he just kept calling us Darl.

Next Weeks Run
