Acting GM & Accomplices (Did anybody do the run)

The bragging marathon runners

Here's to these.....

Jokes

Physio Copper pulls over a shiela for speeding. He asks her name and she replies "Freda" Last name "Goman", copper says "You are Freda Goman" so she did

Rocketman – Micky Mouse divorcing Minnie Mouse, not because she was silly but because she was fucking Goofy

Chook Fucker

Guest went on about some thing with the wrong name and that wrong name was **Full Bottle**.

Guest with the headless chook

However after a quick vote the now melting headless chook was retained by **Guest**.

The Hare – Grassy Knoll

Various dribble was given about the run, but most compliments went to the Drink Stop not organised or known about by the Hare.

Physio's Thought of the Week

Who the fuck would put a parking ticket on my car, don't they know I am a pensioner, the battery is flat and I am too cheap to buy another one so I can move it, and I have a little dick. Bastards.

The Tucker;

Grassy Knoll cooked up some "Cows on Buns". The cows had been delicately minced up and stuffed into some goats guts tubes and cut into approximately 8 inch lengths and barbequed with onions etc on the Hash trailer BBQ. Everybody was in for a second round of such a culinary delight.

Next Weeks Run

Rocketman

Community Hall at the Alawa ovals.

You all seem to be getting pretty good at it so remember to tell **concrete boots** to

"Bring Your Own weak piss"

2700 Run will no longer be a Red Dress Run, instead it will be a normal combined Charity Run.

Cows on Buns

Groper mulls,
"When I was young, there was no internet.
People used to have to walk miles to call me an asshole."
