Run 2696

Hare – Rocket Man

15 July 2024

Lakeside Drive Community hall

THE RUN #2696

Our excellent Scribe, HIV was missing in action tonight so St. Physio is doing the sheet. My apologies for any mistakes (and there will be a few). I am using the pro-forma of an old sheet so there will be crap all over the place. Anyhow, the run – Rocket man sent us off at 1759hrs on pink tape and white chalk. A well marked trail (except where a bit of tape was knocked off) took us across the bridge to CDU territory and then the usual trail following Rapid Creek to the Footbridge where a couple of hardy Hashmen, Animal, Gash and maybe Towjob veered right to a BYO Piss Stop at the Beachfront. The rest of the pack headed up Rapid Creek road and left onto Trower and left onto the park area along Lakeside Drive and Home. Physio led poor old Bitta on a shortcut over the Rapid Creek culvert. More about that later. The run was around 5km

THE CIRCLE

GM Oops with acting Choirmaster Physio started the Circle before the tucker. Oops announced a Combined Run on 12 August for our 2700th run. This will be a Charity run with money raised going to **Dawn House**. Physio to put out a flyer to the other Hashes. It will be \$20.00 a head for **everyone**. There will be beer, wine and soft drinks. (If you are not happy about the price, easy, don't come)

RETURNING RUNNERS and VISITORS

FINES

Animal was giving a One day closer to your Death note for turning 76. I may have missed one for Grassy Knoll.

CHOOKFUCKER

Guest was reluctant to pass on the Chook because it was still headless, however Physio nominated himself for taking Bitta across the Rapid Creek culvert shortcut (which was bloody difficult for people over 65) and Bitta for being silly enough to follow Physio. Bitta won by unanimous applause and then proceeded to resurrect the head of the Chook to its normal position on top of the neck instead of up its arse.

JOKES

Physio told a joke about Donald Duck. Animal told a good one and Rocket man told a couple of Dad jokes.

THE HARE

Rocket Man was given 8/10 for a pretty good run.

THE TUCKER –

Physio had to disappear and do the sheet so not sure about the tucker. Looked like hamburgers on rolls with very hot chilli sauce

NEXT WEEK'S RUN

22nd July Cricket – The Jellodrome (there's a story there) – The Velodrome off McMillans Service Road next to the Soccer Ovals. NEXT WEEK WILL STILL BE A BRING YOUR OWN DRINKS RUN.

DH3 2700 Combined run 12 August 2024. Pergola at the end of East Point (Not far from the Rock Sitters). \$20.00 a head for everybody. Includes beer, wine and soft drinks and tucker. Money raised goes to Dawn House.
