## 22<sup>nd</sup> July 2024 Run 2697

### The Hare – Cricket

The Run: This is not where it went.

### This is where most Hashers went

Set on chalk or flour and a little tape, depending on who you listen to. It was probably a very good run given the hare flirted with incarceration for not having lollipop ladies at the road crossings. Unfortunately, most got mixed up between chalk & flour arrows and ended up at Casuarina's Run (Killers house). To celebrate the occasion Lord OBE confiscated LLL's beer and sent him off to get a couple more. After consuming Casuarina's piss they ventured off to find Crickets drink stop which turned out to be a fine blend of Rum with a little coke. So following Bitter (with inside knowledge) who could remember the word bridge, just not which one, off they ventured. Never to be seen again.

“Planning to take over the world”  
Members Meeting.

### The Circle

Acting GM OOps called the circle to attention so as to try and get in before all the Pitch Black jets tried to drown out Jensett'

### Returners

All flew over the top, none stopped for a down down

### Fines

Sexon was called up for letting Leo the shitty dog nonchalantly take a dump in the middle of the circle. S-H-I-T-T-Y D-O-FUCKING-G.

**Tow Job** charged **Jensett**.

Seems the Grand Fondoo was not so grand this year. Previously **Jensett** has organised sponsorship for Hash to provide a drink stop with lollies, bananas, barbeque and beer etc. This year when **Towjob** got to the turn around point all that was there was a witches hat with a sign "Turn Around".

**Jensett** then charged all the Hardy's because one of their offspring actually won the event.

### **Chook Fucker**

Chook Fucker incumbent **Bitter** instantly nominated shitty dog owner, but there was a cry "Nah you can't double up". Noisy jets couldn't hear a bloody thing... Bullshit it goes to shitty dog owner **Sexon**. Old MacDonald had Tourette's EE ii ee ii shit fuck fuck.

**Should I give it to shitty dog or should I give it to shitty dog**

### **Jokes**

**Lord OBE's** rendition of the unscheduled drink stop at killers won the day.

### **Contest of opinions**

#### **The Hare – Cricket**

**Grassy Knoll** & **Tow Job** may have spoiled a perfect clusterfuck by following the actual trail.

#### **The Tucker**

**Jensett** said something about bum cracks then the jets saved us from hearing anymore of her discourse. But it was good and hot and tasty.

**Must have been good because there was buggar all left**

### **Next Weeks Run**

#### **Tastee's Toy Boy**

21 Ross Smith Avenue Parap.

### Physio's Thought of the Week
