Run 2786

The Hare – Saint Physio

GM **Gropa** alerts the 15 or more harriers its Run 2786 and **St Physio** explains the trail of destructions, including Pink **bits** and Pink **chalk**. Unfortunately the heavens opened up at 1755hrs and washed all the chalk away. Luckily your hare had set enough pink tape to suffice and also advised **Pickles and HIV** where the run went. (HIV still got lost). The rain had eased off to a light drizzle as the pack wound its way through the streets of Northlakes East to the 6th Fairway, to the RAAF fence then along the fence bordering the old Marrara Caravan park to a welcome piss stop of Bundy and Ginger Beer and on home

Walk 2 km Run 2 km (HIV did a little extra)

The Circle and Tucker

Nosh very expensive Woollies snags with onion bread, butter, chilli and Tomato Sauce. Thanks **Rocket Man** for helping cook.

Run Report

GM **Gropa** asks **Pickles** for a run report. By this time Pickles had consumed a fair amount of piss stop and I have no idea what he burred.

Hare – Saint Physio

Serendaded to Shitty Trail

Virgins & Visitors – Nil

Returners –

Cum Again and Idi Amin were returners and serenaded by acting Choir Master **HIV** to Where oh Where etc.

Fines

Oh dear, it's only 2153 and for the life of me I can't remember the fine. All I remember is that it was well deserved

Jokes

There were about 3 jokes. **Cricket** told one and I can't remember who told the others but they were all appalling Dad Jokes.

The Chook (& shirt) = HIV

HIV had a few choices for the Chook. Eventually **Pickles** wore the chook for allegedly setting last week's run which nobody found and hiding the piss stop which nobody found.
