Run 2749

The Hare – Cricket

34 Bishop St Woolner “The Shed”

Run = 5.97km half trail, half live hare

Walk = new hippy 5.2km trail

GM **Rice Master** remembered he was GM and finally drew the 28 harriers into listening to **Cricket** explaining the destructions on pink tape and white chalk arrows, and then white noise as **Lighten Up** chugged past in his truck that's disguised as a car. The harriers made it up and **Towjob** did his usual get lost, cum last by bringing up the rear.

Just about every hill in Bayview and Woolner was found, with some hairy chalk sections at Woolner Road intersection. The trail wended its way up more hills, to the newly refurbished stairs up past the Frances Bay explosive storage buildings, sliding the jump down to the run/walk split.

Runners like pinballs across the road bouncing into the fence, before veering left and the walkers going left. **Cricket's** new hip must be a but wobbly, with wonky, leaning, drunk falling over arrows at times

and we had to earn the piss tonight back at the shed.

The run became a live hare which led to the mangrove walk on the way to the lock, where **BackPage's** mini legs turned quickly, leaving the midgies/harriers behind, getting trying to get away from catch and piss. *Yup midgies piss on ya!

Don't know where the walk went.

The Circle

GM **Rice Master** casually calls the rabble together after **Cricket's** Irish Tucka (nosh) called “construction site stew” with bread and butter! **Just Philomena** in Gaelige reported it was absolutely gorgeous and gave us a good ol blessing “good luck, may the road rise to meet you” 10/10. The blessing worked as the keg also poured beautifully.

Run Report

Just Jason reported the trail was a good one, had one check and no falsies, with lots of chances to improve your VO2 max, and rated 4 coughs 9/10. **OBE** was quick to note **Cricket** was showing off his 3 new hips with too many hills, white chalk and not enough pink tape rated 9/10.

Virgins

We have no virgins at our Hash tonight, however a number of...

Returning Hashers & Visitors

Concrete Boots cum again, lucky lucky midgies. Some visitors from Capital Hash Canberra **PP**, **Party Pie** & **Dangles**. Some visitors from The Larrakins Sydney Hash **Bejesus**, **Just Deb**, **Just Philomena** (Saint Philomena was kicked off the calendar and invited back again as everyone lost

love).

Fortunately **Just Jason** from Melbourne worked out how to cum again but it might be his last. **Cock Up** found his way **BackPage** tho will be pissing off like a midgie until the Darwin itch returns.

Yoplait and **Babbling** arrived with a show, na na na na strip show!

Fines

Oops wanted to fine the hare for the bent arrows, however Houdini was present and it got lost in the circle and the fine vanished.

"Houdini??" says Oops

The Chook (& shirt)

Tow Job told a story about the trail, offered some sacrificial hashers to the itching crowd, **Lighen Up** for drowning out the hare **Cricket** during the destructions, or Cricket for being soft. **Lighten Up's** chug chug won the itch. Ohh what a feeling! Chook Fucker.

Jokes

Oops something about men to belly and women to bum.

Cricket story about vising US embassy for a visa, asked where staying, replied Saint Josey. The embassy staff corrected saying all J letter's are pronounced H, so Hose. Next Q, when are you leaving, and the reply was Huly....

OBE had an AI golf ball designed to make its way into the nearest hole. OBE got a hard surprise when he put golf ball in his back pocket!

Jensett's story about two guys at golf, saw a funeral procession go by and one of the guys took off his hat and bowed his head. His mate said that's the most respectful thing I've seen you do, he replied describing I was with her for 30yrs.

Cricket, something about my house can't jump at all.
