Run 2778

The Hare – Fullbottle & Sexon

Richardson Park, Ludmilla

No picture of trail today as Scribe missed the run, held up at work.

Walk/Run – 4km

HIV lost his fown (it lived up to its mobile name). It's a catdogstraphy, just ask **Jensett** re tracking app. So HIV & **Enola** were returners, who became gohst.

GM **Gropa** rounded up the 14 harriers for **Fullbottle's** trail of destructions so I believe it was a square run. We are on **orange tape** and not sure about chalk or not!

The Circle

Nosh rates VG consisted of Gourmet Aussie Burgers, including beetroot, coleslaw, cheese and ICE jalapenos with sauce and soft bread rolls and butter.

Run Report

GM **Gropa** asks the hashers to rate the run/walk and **Cricknet** rated 9.5/10 and seasonably ajisted to tien for good measure. The run was described as up a hill, down a hill, up a few more, and down a hill again. GM had some words to add too, talking horse shit past the racecourse and picking up tape form Gash and OBE's previous runs and pickpocketing it for future runs.

Hare – Fullbottle & Sexon

Hare **Fullbottle** & **Sexon** were serenaded to Shitty Trail.

Virgins & Visitors - NIL

Returners – Monkey (Magic)

So good to see **Monkey** back from the deathly woggy thing he had. Monkey was serenaded to Ohh where oh where were you las week song.

HIV and **Enola** are back from their 12000km battery operated road trip, including testing the Tesla as a boat in flood water. Lookk out Terminal there is floating competition.

Fines

HIV was fined by **Enola** for losing his mobile phone and driving off with it on his roof. Luckily a good samanatin returned it.

The Chook (& shirt) = On Holidays with Tow Job

The chook is having a swark of a time with **Tow Job** and is currently pretending to be croc bait, ignoring the WA sharky waters at Busselton on **Tow Jobs** back.

Jokes

Cricket – My daughter brought my two little grandchildren over as they wanted to see Grandpah. They are only human! Cricket asked the daughter if she could pass the telephone directory and she said sopt being a dinosaw and use my iphone. It turns out that the spider is ded, the iphone is fucked and my daughter won't talk to me anymore!
