Run 2743

The Hare - BackPage

The Run: Dinah Beach Oval

Run = 4.3km & Walk = 3.3km

GM **Rice Master** called attention of the 25 hashers who had cum to Dinah Beach Oval for some sexercise, nosh and much beer/champagne, not to forget, singing silly songs. (Oval named after Dinah da Silva who resided at the beach and was a cleaner and gardener of Government House from 1929-1937).

The hare **BackPage**, explained the destructions, ON ON camouflage green tape and chalk to find the trail where runners and walkers were divorced from the start, cuming together for the piss stop. Ohh, yes, there is a piss stop! The pack set off to get lost.

The trail took the walkers on a root to many short cutting bastards getting lost through Stuart Park, around Office Works to the piss stop at Frances Park on Duke St, down the stairs back onto Dinah Beach Road to ON HOME.

The runners along the path past the Chinese Memorial Cemetery, exploring a number of traditional false

trails to Stuart Park Primary School, and back to meet the walkers trail to ON HOME via piss stop.

Orgasms at the piss stop as runners and walkers meet and share a beer or prosecco

After the run/walk, the nosh was served up before the circle (responsible alcohol management) so hashers can have another "hiccup" drink. The nosh consisted of entrée of chips to fillem up, followed by a main of chicken burgers, with garlic aoli, avocado dip, cheese, lettuce and tomato, and for those who didn't bugger off early, a mint slice dessert.

The Circle

GM **Rice Master** begins with a Welcome to Count Tree

"Id like to begin by acknowledging the usual traditional criminals, currently incarcerated and on parole and their continuing criminal activities across our lands, towns and cities. We pay homage to their thieving ancestors, wife beaters and child molesters, past present and emerging, as they are yet to be taught. I also acknowledge those working Australians that get out of bed and go to work, pay their taxes and fund the lifestyles of our more traditional brothers and sisters. Amen!"

Returning Hashers

Woodchip, Killer, Flaccid, Roxby & Drag Queen's presents was felt by the usual crowd, with CHHH on strike due to Kings Birthday PH. So much for running rail, hain or shiny crowns! We didn't get to find out were they'd been or why their back, drink it down down down down.....

Roxby & Drag Queen 🎁

Visitors

Cock Up and Hard Up finally made it after going to the wrong oval and two calls to the hare to work it out. Visting from Bunbury HHH and Cock Up and BackPage were reunited from old days of Broome mother hash. How long they stink around for?

News

Killer sadly informed us we lost a dedicated hasher, Adelaide, who will be dearly missed. On On to dawggie hash heaven Addy.

Virgins

Paddy Cake and Just John were made to cum by Dibba Dobba and Lighten Up, with Paddy Cake showing a blood like resemblance to Dibba Dobba. "Weve got Virgins.....at hour hash....."

Fines

HIV was fined for calling ON ON at a check and the response was "it was a well set trail and had to check it out and u bastards turned up" drink it down down

Cricket & Drag Queen fined for no hash attire, with no good reason at all. "Put it in your hand Mrs Palmer...."

The Chook (& shirt)

Enola stayed at home, healing herself from HIV, so the chook will remain until Enola has recovered. HIV discussed how "the chook is in training puckering up for anal tug-o-war, and is covered in more shit"

Run Report

The words HIV said were gobsmacking "challenging run, had old school hashers false trails to check, running around all over the 9/10 decimal place. The walkers just got lost and called the hare twice to find the piss stop.

Tucker rated by **Cricket** 9.5/10 and 10 from **Jensett**. The rabbit in **Cricket** was ever present as the circle watched him naw on lettuce. Is lettuce an aphrodisiac?

Jokes

There was no **Rocketman**, he is working again, although a thought on the outside was “his undies look big in Japan”.

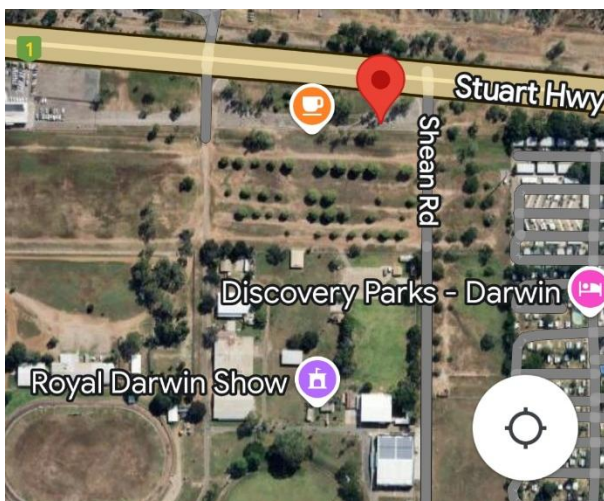

Announcements

Tour de Piss to Mandorah brainstormed for 12 July 2025. More destructions to cum.

TEH3 Combined Relay Fundraiser for Dementia Australia discussed by VGM **BackPage** to gauge interest from all NT clubs. Confirmed DH3 interest, weekend OK, though money raised needs to remain/benefit Darwin.

Shaddow reported Katherine Hash is planning on “Build Up” Run weekend on 27-28 September 2025. Lots of water to wallow in.
