Run 2766

The Hare – Rocketman
AlawaHall, Lakeside Dve.

Run = Your scribe was thrust into doing tonight's sheet without notice, Consequently it will probably be a heap of shit (mostly because I have been nobbled by Rocketman's excellent but very strong piss stop).

I didn't check with that wonderful Hash Cash, Jensett but I reckon there were about 14 in the pack who were about to get very damp.

Hare Rocketman looking excited.

Rocketman sent us off on what turned out to be about 1 piece of pink tape up Lakeside Drive to the University, a lap around that and back home with not one bit of tape. We were warned that there would be no tape after the roundabout but most of the pack never listened to the instructions. It then pissed down rain and most of us shortcut through the university back home. I think we did about 2.5k and HIV did about 5k cos he is always off with the fairies. Nobody found the piss stop so there was lots of it left when we got home. Apparently the piss stop was rum, green ginger and beer. It warmed the cockles of just about everything.

The Tucker.

Jensett kindly did the tucker for Rocketman and much as I normally dislike curried bangers (from my Navy days), hers was bloody wonderful if a little mild. There was nice bread rolls and butter as well.

The Circle

GM, Gropa, aided by various Choirmasters commenced the Circle after the Tucker. I didn't take notes.

Run Report

Fullbottle gave the run report. The worst run this year. Rocketman has obviously been too busy setting up his medical kit for the Cyclone expected this weekend.

Fullbottle getting his share of the tucker

Virgins, Visitors & Returners –

There were no Virgins , Visitors or Returners.

Fines

I think poor old Rocketman got fined so many times he probably shouldn't have driven home.

The Chook (& shirt)

Minuteman had no trouble giving the chook to Rocketman.

Some of the pack hiding from the rain

Jokes

There were a few. Most good, one old but I can't remember them

Announcements

Gropa reminded us of the Christmas party at 4 Tudawali St on 8th December. OBE and Jensett always turn on a great evening.

Next Week's Run –

Hare- Gropa, 11 Tannadice St. Winnellie. Monkeys place. (I wonder if there are still mangoes on his tree)

Physio found the chooks cousin in KL last week to keep General amused
