Run 2754

The Hare – Oops

10 Quarry Rd Stuart Park

Oops “Listen to ME!”

Run = 6km with options including 5 hills for runners

Walk = 3.96km and 3 hills for the walkers

GM **Rice Master** the 19 harriers plus **Virgin Just Amy** to listen to **Oops** destructions on white chalk and pink bits. **Oops** was heard saying the runners and walkers separate and out the front down the hill and the piss stop is at the hash house, so hurry up, hurry up!

Seat warmers looking after the piss stop

The Circle Run Report

The seated circle

Oops tucker of burnt bone curry plus sundry other extras and rice followed by watermelon. It's a very precise method to become burned to the bone!

Jensett rated nosh 12/10, other ratings bantered were 28/10. Top nosh!

OBE reported walking 9.5/10 tonight was a challenge and declares no one found walking trail, we walked around the block twice, so took the runners trail in the end. **OBE** “It kept my interest up”.

Hare **Oops** was shitty as **HIV** didn't do as instructed 3 times to cross trail out as witnessed by the nutty conversation. **Oops** serenaded to Shitty Trail.

Virgins

Just Amy declared **Oops** made her cum

Just Amy from Perth is tending to **Oops** favourite son who has man flu upstairs, whilst visiting mum. **Just Amy** helped set trail and cook and must remember to bring the watermelon down stairs for dessert! The pressure of a diamond! (We have virgins at our hash)

Visitors

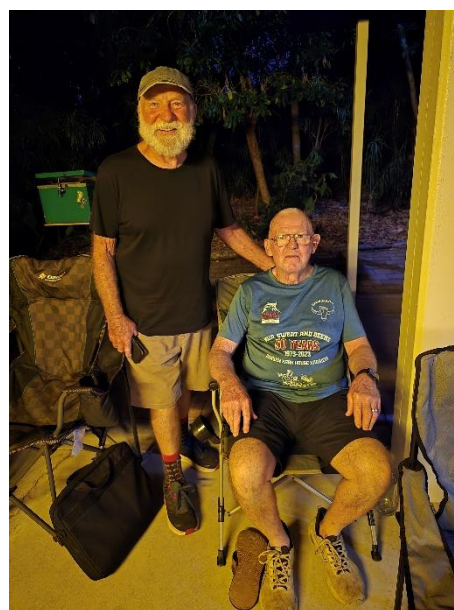

Uncle Jimmy is sticking around

Returners – NIL

Fines

Fullbottle fines wanker **Saint Physio** for having a Police sticker on dash of car. "I've been fined for many things.....and this has saved me (your stupid, what a wank wank wank)

Rocketman led **Uncle Jimmy** on a wild goose chase and still not back after 7. We will send a search party when there is no nosh or beer left. **Rocketman** says we had a piss stop at Parap Tavern when they finally cum.

Lost walkers, **Rocketman** & **Uncle Jimmy**

Misdemeanors

Gropa's knobbly knee

Boots rang everyone except **Jensett** and **BackPage** that he couldn't make it as the Dr cut off the best part of his face.

The Chook (& shirt)

Gash MIA so holds chook for another week two (blowin in Bowen)

Jokes

Saint Physio describes superman the man of steel and that Darwin has our own superman, the man of steal!

Rocketman remember Billy McMahon former Prime Minister and wife Sonja and fell pregnant whilst in office The birth was at Canberra Hospital with a C section procedure as Billy wouldn't let Sonja go into Labour.

Cricket two options, religious or cowboy,,,,,cowboy won. A young Texas cowboy asked old grandpa (who was in his late 90s), grandpa what's your secret to longevity? Well young fella the secret is in gun power, I sprinkle it on my oats every morning for 96 years, The Texas cowboy added the gun powder to his breakfast and lived into his late 90s and eventually fell off perch after living a good life. The legacy left behind to the world was 3 kids, 12 grandkids, several great grand kids and most famous for the 4m hole he left behind through crematorium wall!

HIV complains about AI shit, never called anyone c a n ' t.....

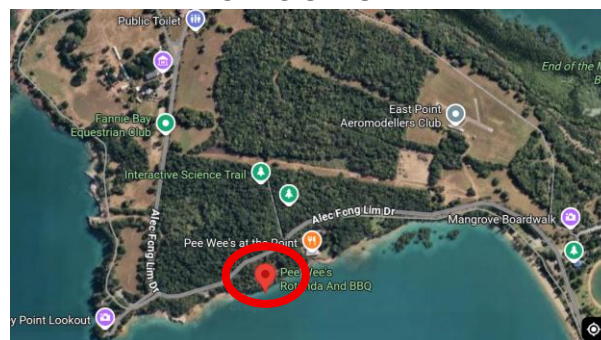

Saint Physio was so excited about dry season he wet his plants!
