Run 2782

The Hare – Rocketman

GM **Gropa** had to hold the horse back as **Rocketman** was chompin at the bit. The trail of destructions included **orange tape** and there is some old tape I left out there for good measure and the piss stop is right here (for some motivation to 'huuurrry up' says Mr Blackboard).

Walk/Run – 3.62km with an old orange tape false

The Circle

Nosh was a mixed grill including some ham stakes and chook kiev surprises. The gas always knows when **Rocketman** is cooking....

Run Report

GM **Gropa** asks **Cricket** to rate the run/walk which scored 9+/10. An observation made about the district needing launmovers, then trail was well marked, a pleasantly leisurly stroll with good company too. Some comments overheard included too much tape and not enough chalk and the dogs must all be starving as they wanted to eat us on trail.

The circle

RA **Tow Job** needs a payrise next year for keeping the rain away!

Hare – Rocketman

Virgins – NIL

Visitors – Cockin Cockout with Comatoes

Cockin Cockout is from Yangon Hash, now living in Darwin for the last 18 months, and a carrmade him cum (what a wank) Comatoes is from Nairobi Hash and explores hashes all around the world (Tru blu). Anyone want to swap a t-shirt on Turdsay before Comatoes flys out??

Returners – Oops

"F*&k it was cold down there!" Welcum back Oops.

Fines

Saint Physio fined himself for traveling overseas and completed the diptest.

The Chook (& shirt) = Pickles

Pickles held onto the chook another week, AGAIN and will be sat on ice next week, for the chook being MIA.

Songs

Comatoes shared us a song about Kenyan warm tuska beer. We renamed VB to Venerial Bastard beer in the song.

Stories

Cricket told a nightmare to our dog lovers, about a 3m python grabbing and wrapping up a dawggy in Rocklands and it took a few stragers to separate them, blood everywhere, thank the hash gods, the dawg survived, the ending of the snake is unknown.

GM Gropa sent thought to our Katherine Hash mob and shared an update from Shaddow, who's place is just ok. We must go for a weekend with our Katherine mob.

Announcements

Rural Hash 2400th Combined Run on 23 March 2026 at Freds Pass at 1830hrs. See flyer below.

DH3 AGPU weekend 22-24 May 2026, at Coomalie Creek Church Campground booked ready to go!
