## Run 2776

### The Hare – BackPage

19/2 Mitaros Place, Parap

**Walk – 3km & Run – 4.2km – lotsa shortcutting bastards available**

GM **Gropa** unites the 15 hashers after their first test getting inside the hash house for **BackPage's** trail of destructions. We are starting on **Pink bits** and exploring the sites of Parap, with permission to shortcut as much as you like to get back for the special piss stop.

### The Circle

Nosh consisted of vegemite cheesy pull apart bread, mini quiche lorraine and spinach and feta for entrée, meat pies and source for main, and lamingtons with cuming cream for dessert.

We thank **Outback Bakery** at Fannie Bay for baking especially for us today and a massive thanks to DH3 for putting on the yummy nosh!

Dessert was devoured, so no evidence

### Run Report

GM **Gropa** asks the hashers to rate the walk and **The General** lets a secret out that **Tow Job** couldn't find the G spot to get outa tight place. There was short and long cutting bastards, and **The General** claims doing the whole run, and the hare disputes this (see pic of trail set by hare). Overall a very nice run rated 9.5/10.

**Gash** added too many furlongs away and contaminated tape. The hashers bantered controversy over lost of tape or not much!

### Hare - BackPage

Hare **BackPage** was serenaded to hares on her dickie die doe and Tru Blu

**Virgins - NIL**

## Visitors – Killer

**Killer** only cums on a pubic holidays!

## Returners – Gash & The General

**Gash** was in Victoria and **The General** values the cartilage in his knees over cuming!

## Fines

**The General** fined and drank the creamed beer cocktail

**The General** losing his handle and then stealing the hare's and drinking it. FINE!

GM **Gropa** fined **Fullbottle**

**Fullbottle** lost the poor chooks cape which was generously returned and inspected by **Saint Physio**. FINE!

**The General** charged **Saint Physio**

**Saint Physio** forgot to pick up **The General** on the way to hash, however remembered the chairs! Made it all the way to Sabine Rd, before sanity regained itself. FINE!

## The Chook (& shirt) = Tow Job

**Fullbottle** got up and well had a three way of possibilities. The hare **BackPage**, **Tow Job** or **Saint Physio**

**BackPage** declared locking self out of unit 2 hours before the hashers cum. **Tow Job**

couldn't find the G-spot in a tight place, and **Saint Physio** carried over from last week's two of the same foot shoe.

**Tow Job** is the winner winner chicken dinner for not finding the G-spot!

## Aussie Day Tribute to Hashers written by The Hon. Ted Egan, oralled by Killer

I hash because I can! See FB page for full recital. Words to follow in separate email.

## Jokes

**Jensett** – There was 2 nuns on a plane from Ireland travelling to USA. They talked of embracing all US customs. One nun talked about how the US eat dogs hot. After they arrived, they decided they should try eating dogs and ordered two hot dogs from a stand. One nun whispered to the other nun, what part of the anatomy did you get??

**Gropa** is at the pearly gates again of Stain Peter and sees **Physio** in a room with a girl and bundy. **Gropa** asks for a drink and states there is no holes in this and **Physio** replies there is no holes in her either

**Rocketman** – There is a man with a stutter who is convicted of a nasty crime and sent to jail, however his victims are all concerned as they believe he will never finish his sentence!

**Saint Physio** – There is a shy pebble, who went to the gym and became a boulder!

**Lord OBE** – there are two slices of bread who get married, all is going well at the

wedding party and until everyone is asked to toast the bride and groom!

Scribe couldn't catch the last joke by **Jensett**.

## Hash Trash in the Circle

**Tow Job** shared the story of the Oz Run funrun, where he longed for hash support as the smoking ceremony was really thick and he got lost in all that smoke!

**Oops** and **Tow Job** denounced taking leave from DH3! How unacceptable!
