Run 2757

The Hare – Boots & Saint Physio

Bottom roundabout Woolner - Keg

Run = 4.6km **Walk** = 4.3km

GM **Rice Master** tells the 19 harriers we are here for a run, not a good time, before the destructions from Boots are delivered to search for trail where we tied a yellow ribbon around the old oak tree and orange chalk (confused by the white arrows on trail too) to find the Pusser stop! And off they ooze back to hash house for the piss.

The Circle

Run Report

Its **Chilli Bush's** birthday today with gifts of mangoes, flowers and a pot, also **Barbwire's** birthday too (hashy birthday, followed by, its your birthday, one day closer to your death)

GM asks **OBE** to rate the walk 9/10 and not too bad with the midgies.

HIV says for the run, I followed white and pink chalk and yellow tape which was going the other way and the coffee signs brought me back to the keg, rated pleb over seven.

Gropa's knee has shrunk a little and the friction was reduced to be able to walk the whole the trail. **BackPage** walked for

the second time in 5 weeks, she's still a scab tho!

Nosh consisted of Dimono's Piazza rated 0/10 by **Rocketman** who sat there and ate his own garlic bread which he rated 10/10 cause he cant eat cheese. We all secretly like to eat pizza thanks to the original Pizza Hut, that didn't survive the ages like the hashers have.

Hares **Boots and Saint Physio** had hares on their dickie di doe which hung down to their knees, followed by a serenading to Shitty Trail.

The Departing – BackPage

BackPage is off to remember how to sail again in lead up for the 1250nm Sydney to Auckland race on Wings a Dehler 46' yacht starting on 11 Oct 25 and is guesstimating it's an 8 day race (she's a little sex pot)

BackPage in her happy place helming

Massive thanks to **Saint Physio** for helping with Scribe duties for **BackPage**,

Fines

The **Oops** fined **Barbwire** for not being here for his 83rd birthday, the location of Oops renaming (drink it down down)

The Chook (& shirt)

Dibba Dobba and the flying chook flew its way to teasing **GM** for stealing pot plants and questioned there is no rules in hash, so why cant I give the chook to **GM**. Diversion to **Chilli Bush** who forgot to return a bowl from last week's hash. Ladies first for tucker whilst gnawing away on the pizza, so **Fullbottle** bingo!

Jokes

OBE talked about the weather channel reporting a heat wave in Hiroshima, 42 degrees, I thought that was bullshit as that is not as hot as 6 Aug 1945 which was 2000+ degrees.

Announcements

GM is bugging off to Thailand with **Chilli Bush** in early October. Committee meeting to cum.

Bitta is not well, so we are sending all our positive vibes his way for surgery and other recovery.

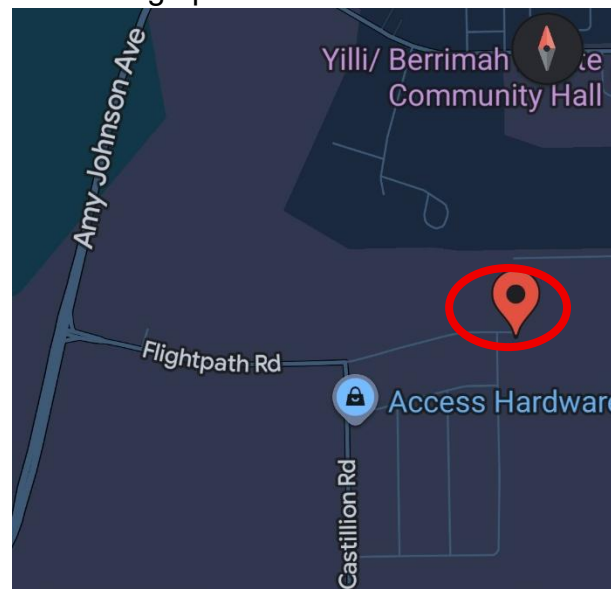

Shaddow from Katherine Hash is hosting a "Build Up" Run weekend on 27-28 September 2025. Lots of water to wallow in at Bitta Springs. Bring own grog, Sat dinner & Sun breaky provided after a religious service Everyone welcome if you can work out the details.

Cricket is wanting to conduct a pub run on 6 Oct 25 at Dinah Beach Cruising Yacht Club.

BackPage has invited Rural H3 to join her run on 27 Oct 25. Will be great to catch up with everyone again.
