Run 2767

The Hare – Gropa

Monkey's Workshop 5A / 11 Tannadice St Winnellie

Run / Walk = 4.05km with piss stop at Winnellie Hotel (self funded)

A/GM **Gropa** calls time and corrals the 14 windblown obstacle dodging harriers to listen to his destructions, on pink bits and some funky white arrows and a self funded piss stop or the keg was pouring beautifully.

Trees down, hiding the tape and chalk, we managed to find a well-marked trail. Some of us swallowed for a piss stop and found some of the scum sucking, bottom dwelling, CH3 bring a 6pack poofas who are having their AGM tonight.

The Circle

A/GM **Gropa** cooked the nosh for once to feed the staving mob who almost died with no electricity over the last few days, thanks to TC Finag-eye-na (she was all wet and sticky). It was a hit!

Thanks Enola for helping with rice and growing a delicious pineapple!

Green chicken curry, rice & sweet home grown Enola's pineapple

Run Report

A/GM **Gropa** asks **Fullbottle** to rate the run, however didn't go, Guest, nope, however spotted some pink bits. So it was up to **Oops** to rate the run/walk, who wandered with **OBE** until run out of tape and found weird double D pointing arrows. It was just fine, no bush, it was a Brazilian run, so 8.8/10. Someone piped up and talked about a shameful headwind, however the company was good! A/GM **Gropa** defended by declaring "can't cater for bastards that steal tape". All **TowJob** wanted was an easement!
