Run 2747

The Hare – HIV & Enola The Run: Tiger Brennan Highway between Amy Johnson & Charles Darwin NP turn off, city bound

Run/Walk = 4.23 + Towjob's False Trails

GM **Rice Master** raised his voice to the 26, yes that's rite folks, 26 harriers for **HIV** to explain the destructions on pink tape and even sexplaining what the numb bumper of ribbons means.....we all want to find four pink bits for the piss stop!

We jumped the gate, crossed the bridge, winded our way through **Tow Job's** hundreds of False Trails navigating the mounds and bushes to find the en **Lighten Up** piss stop. We showed our Virgins how to drink and run back to the devouring Hash House.

GM **Rice Master** casually calls the rabble together after a yummy tucka of chicken curry and rice. **Gropa's** trusty clip board was all prepared for the GM's with the aim of bringing some sense to the agenda before we all look like hive ridden harries.

Run Report

Gropa nattered the trail was well marked with falsies, good checks, and a drink stop rated 9/10. **Gash** on the other hand walk reported going here and there and round and up and down the fhill from there, rated 6.5/10. (Hare - Shitty Trail).

Tucka (nosh) was made graciously by **Enola** consisting of tasty chicken curry with rice and chook fucka bones. Thats where **Broken Leg** got to! (Do ya balls hang low). Enola had Just Shuyi working!

Virgins

We have virgins at our Hash! We had 4 vergins cum tonight all made happy by different cum makers. **Just Ellie** from London, closely brushed by **Just Piers** from Bristall UK, **Just Mon** hanging out

with fairies, nudged by **Just Shuyi** who should have an STD check for cuming with **HIV**. (We have Virgins)

Returning Hashers & Visitors

Concrete Boots arrived again, lucky the Hash House was near his place and worked out how to jump the highway.

Another visitor/virgin however you want to cook it, **Just CK**, had run with Penang H3 a few times many flights ago, as a Fairy Expat, but was never named. He doesn't know his luck as HIV was sailing and burping in Pengang too and CK somehow avoided HIV all those years ago! (True Blue)

We have been blessed again with Chew Caca's presents', the 7/11 Okinawa patch, where you have 9 beer stops and ya build a sword for a dual to see who's got the longest and hardest one! Five hashers volunteered to be part of the story, **BackPage**, **Gropa**, **Rocketman**, **Tow Job** & **Jensett** were all presented with a 7/11 Okinawa club badge. (Moshi Moshi ashol)

Fines

Tow Job tries to fine **HIV** for all the false trails. Overturned. Tow Job reverse fine as GM says its you that is common amongst the false trails, and no holes in fence to get to the hash house which added another 2km to your run! (Mrs Palmer)

Just Ellie fined for a prickly blister and made it to the hash house in bare socks. Just Ellie was also MIA when the fine was announced and was c-ummoned to the circle by the GM. Then tried to drink the down down before being serenaded by the midgies! Virgins have not much to learn! (True Blue)

The Chook (& shirt)

Fullbottle was gona keep the chook, until our favourite hasher **Tow Job** cum late and made a beautiful run into taking every falsie to be find! Ohh what a feeling! Chook Fucker. (Horses arse)

Jokes

Rocketman asked whi is it easier to weigh fish than chicken, cause fish have their own scales!

Rocketman told OBE's joke which was too long for scrbe to catcher. Something about xmas in july, and at the pearly gates needed to make it christmasy so one lit a cigarette as a candle, the other jingled keys and sounded like music, the final pulled knickers out of his pocket and was questioned, "the knickers are Carols".

Announcements

Tour de Piss to Mandorah Cox County Club is confirmed for this Saturday 12 July 2025. GM has invested thinking and made no progress. **Gropa** provided the destructions, ride ya bike if ya want, be at Ferry terminal at 1030 for 1100 ferry. Piss on ferry both ways covered by DH3! The crowd roars, freeeee beeeer for all the hashers! But ya tight arses are to pay for ya lunch and beers at the Cox Country Club. If your on your feet, there is a courtesy bus to pick the lazy bastards up and drop off to ferry. You can also drive the 121km (1hr 23mins) around if you don't want to pay for the ferry! Don't ask how much the ferry is. "Don't pay the ferryman, don't even fix a price, don't pay the ferryman, until he gets you to the other side"

Shaddow reported Katherine Hash is planning on "Build Up" Run weekend on 27-28 September 2025. Lots of water to wallow in. Everyone welcome.

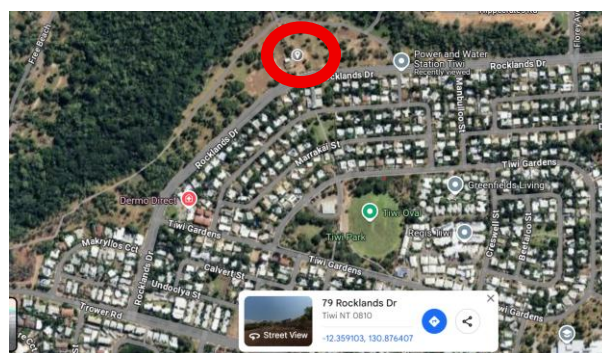

2 Stroke is hosting the ride to Adelaide River and back to his place on Saturday 3 August followed by a game of cricket on 4 August. Plenty of room to camp at his place. Bring your own everything, further details to follow let **BackPage** know if you are interested.

Grand Fondo 20 July 2025 is now all about individuals volunteering and

getting \$\$ for it. Speak with **Jensett** if ya need money.
