Run 2780

The Hare – Guest Barbwire with Tow Job help

Walk/Run – 4.2km plus Guest's + km

GM **Gropa** rounded up the vulnerable 17 harriers just waiting for the rain to flow, for we were stationed next to the rotunda, nut underit for **Tow Job's** trail of destructions. No need for a ventriloquist tonight! We are on **pink bits** and white chalk on obstesticals to help with a MIA wet check to the horror of the hashers.

Pink bits

The Circle

The circle was run before nosh tonight with GM nut cracking on on, wholst the bangers were heating up.

Run Report

GM **Gropa** asks the hashers to rate the run/walk and **Gash** rated 9.5/10 reporting much green, getting lost in the jungle, found the gun turret but couldn't use the gun and there was lots of **orange** tape. **Barbwire** switched on and said, who was running **orange** tape??

Enola rated the walk 10/10 and the ventriloquist popped up again, saying it was a nice walk, no mossies, no pippies, no crocs.....

Hare – Guest, Barbwire & Tow Job helping

Hares **Guest, Barbwire and Tow Job** were serenaded to Shitty Trail.

The nosh was gourmet pork and lamb sausages, with hamburger buns, butter lettuce, tomato, pickles coleslaw and sauce. YUM!

Virgins - NIL

Visitors & Returners – Pickles and Wobbly Boot

Pickles honoured us with his presents again and will even put his ribbon in the air to hare. GM discussed not doing anything he wouldn't do. **Wobbly Boot** is from Bootygalara in Philippines and open made him cum.

Fines

Jensett fined **BackPage** for being a running racist with HIV. Jensett dobbed in BackPage for lookin superior 4 cumin first for a change!

BackPage was serenaded to She's a Piss Pot.

The Chook (& shirt) = Tow Job

The chook games cont.....the chook was revived and resurrected with the vacuum and brought it back to life, helped by **Tow Job**. It is now a wholly chook. **Pickles** became the winner winner chicken dinner. **Pickles** said he would run the chook through a fine hare. **Pickles** was serenaded to What a Wank.

Jokes

Saint Physio – a snail slides into a bar and asks the barman for a drink. The barman says we don't serve snails here and pickes the snail up and throws him out. A week later, the snail made it back and asked "what did you do that for?"

OBE – an aid agency thanks people for donating mossie nets in Africa and they reported having saved many mossie lives!

Rocketman – a husband says to his wife, "why do you keep buying plants as they keep dying?" She says, "I just want you to know what I am capable of!"

HIV – the smell of incense is like the smell of burning nose hairs!
