Run 2774

The Hare – Oops

10 Quarry Cres Stuart Park

Some of the pack and w puppy dogs.

Run / Walk - 5km

A/GM **Gropa** rounds up the 11 hashers for the destructions from **Oops** startling on pink **tape** and white chalk arrows.

Off we went on a cool and cloudy evening. The wheels nearly fell off Sexons doggy cart when she kicked one. Fixed by Fullbottle and off they went. Tape and chalk led us to an old Cemetery in Parap which is where the ghosts of Territorians Past stole most of the tape and chalk. Hashers combed the streets high an low. Some found some trail, most found none, so the pack came back from several different directions. Physio, Rocket Man and Cricket did 2.72k. (Physio actually rang the Hare for instructions which were no use because the ghosts had stolen the check tape as well as a fair bit of the trail). Others did more, up to about 5km. At around 1930hrs Hare Oops started to worry about OBE and Barbwire who weren't back. Your acting Scribe St. Physio asked Jensett to phone her Darling. We are 50m away replied OBE. They had done a HIV and had their own piss stop at the Parap Pub.

BTW, the keg of VB was pouring beautifully

The Circle

The Circle commenced at 2014hrs. GM, Gropa had everything in hand and didn't need a Choirmaster.

Run Report

Towjob reported that there was a bit of tape so gave the Run 12/10. OBE said the tape was stolen by the ghosts of the Monster Mash

Hare

Hare **Oops** serenaded to Shitty Trail. Someone suggested that the trail was set for intelligent people which leaves most of us out.

Virgins & Visitors – NIL

Returners

Fullbottle, Sexon, two dogs and two birds have returned from their aborted trip to Cairns, for diving and catching up with Bitta. They got as far as Mt Isa and spent 5 days there due to the Queensland floods. Very quiet New Years Eve. Shit food at the pub, no beef anywhere and only frozen Christmas turkey in the Woolies freezers. They caught up with Ex Darwin Hashers, Browneye and Tabasco in Daly Waters on the way home.

Fines

No Fines or Charges.

The Chook (& shirt) = ??

Saint Physio got up and nominated OOPS for setting about the 3rd run in a row where the Pack got lost. And Fullbottle and Sexon for trying to get to Cairns in the wettest wet season in decades and having to spend 5 days in Mt. Isa. The Pack nominated Physio for having to ring the Hare for trail instructions. In the end Bottle wore the Chook. I think Bottle may have told Sexon "I told you so". That's when the fight began. (Joke)

The Tucker

What a great feed. Beef Rendang, Rice, Cabbage, Coconut Banana and bum burning Sambal Oelek.

Jokes

Cricket told a joke about a deaf Jensett in a retirement home.

Rocketman told a joke about H2O and another about spelling Krokodile.
