Catering Excellence

OUR STORY

In April 2014, Blue Lounge Restaurants & Catering Management set out on a culinary journey, assuming the management of the well-loved Blue Lounge Restaurant & Café in 6th October, which had been serving satisfied customers since 2007.

Over the years, we expanded our horizons. We operated beachfront restaurants on the North Coast for three consecutive years, catering to private beaches at Marina Gate 5, Rimas (Al-Yashmak Ladies Only Beach), and the exclusive Sky Lounge atop the Porto Marina Main Building.

In 2018, we introduced two new culinary brands: "TamrHenna" at Marcellia Land in Sahel and "El-Hilty" for oriental food and sohour during Ramadan in 6th October. In the summer of 2019, we brought smiles to Dragon Island/Livos Sidi Abd El-Rahman with a small shack offering waffles, crepes, and children's happy meals.
