Presents

# Sag Harbor American Music Festival

September 24-27, 2026

## The village IS the venue

*This isn't a festival that comes to Sag Harbor. It's a festival that IS Sag Harbor.*

No other event on the East End hits quite like the Sag Harbor American Music Festival. Four days of music that takes over the entire village — parks, shops, restaurants, and street corners you wouldn't expect.

Original music! Jazz, blues, Latin, rock, folk, soul, pop, country & more, local legends, newbies & global acts.

**Free** outdoor shows, **Three** main stages, and **one** ticketed headliner.

Not a Hamptons event.

**An everyone event.**

## WHY GIVE

### "Free music doesn't happen for free."

Every dollar you give keeps the music open to the whole community — no barrier to entry, no Hamptons price tag.

#### YOUR SUPPORT FUNDS:

- ◆ Artist fees — so musicians get paid fairly
- ◆ Sound equipment & production
- ◆ Village permits & event logistics
- ◆ Marketing & community outreach
- ◆ Keeping admission FREE for all
