## Halloween Themed Activity

We would love for you all to take part in our Halloween Themed Activity. We are looking for you to Crochet Halloween Decorations that we can display here in the centre. So please get the needles out and then drop your creations into the centre when you have them completed.

**Size:** 20cm x 15 cm  
**Theme:** As spooky as possible  
**No.:** Max 4 per person

**All creations must be dropped into the centre in a sealed bag with your name on it.**

We will be hoping to display all of the creations in the centre for Halloween but obviously depending on the number we receive, we may not be able to, but we will guarantee that one from every person will be displayed. With your permission we will then find a home for the rest, be it with our staff or the preschool / afterschool children.
