# Preferred Vendors

Our preferred vendors are familiar with the venue, the dirt road, are local, and are wonderful to work with! While we love our vendors, we understand that you may prefer to bring in your own - that's fine! We only ask to speak to them in advance to ensure we can accommodate everything they need for your big day.

# Parking & Transportation

Parking (denoted above) is along the white fence of our property. The white fence is steps from the main reception area. The riverside ceremony area (denoted above) is about 1200 feet from the main parking area. Most guests walk from the parking area, to the ceremony area, back to the reception area. For those who need assistance, we have side by sides or golf carts to assist with rides.

**\*\*\*Access to Tres Brisas Event Venue is down a 3 mile dirt road. We strongly recommend higher clearance vehicles or allowing extra time for lower clearance vehicles. We strongly recommend giving your guests extra time to make it to the ceremony. For example, if the ceremony is planned for 3pm, please inform your guests the ceremony is at 230p to allow travel time on our country road.\*\*\***
