

# **Come Back To Me**

By: Sierra Lewandowski

Once upon a time  
There was a girl  
She lived in the light  
Soaring over the world

She danced in the rain  
She sung in the sun  
And she was kind  
To everyone

But then something happened  
I can't explain  
But afterwards  
She was never the same

Haunted forever  
To this very day  
Her childhood  
Had gone away

I can't say it was stolen  
And I can't say it was lost  
I can't say it was broken  
Cause it was all my fault

And I let it go  
Thought it was my fate  
I couldn't see it was gone  
Until it was too late

And I cried every tear  
My body could make  
In the middle of the night  
Still crying the same

It just kept coming  
Thought it'd never go away  
And it'll haunt me forever  
To this very day

The way she giggled  
Her smile glittered  
In her princess gown she lay  
Tucked in bed  
With her toy friends

And she dream't big dreams  
Of who she's gonna be  
When she grew up  
It just wasn't enough

Oh sweet girl  
Heart of gold  
Would you please  
Come back to me

And oh sweet girl  
Young and bold  
Would you please  
Come back to me

Please please please  
Come back to me  
And take me back  
To long ago  
Before the world  
Had hurt me so

Oh sweet girl  
Pigtails and bows  
Would you please  
Come back to me

Oh sweet girl  
Story unknown  
Would you please  
Come save me
