

On The Horizon

By: Sierra Lewandowski

Walking on the beach
That one evening
Staring out to sea
Deeply thinking

The sand beneath my feet
The colors in the sky
Remind me of the feeling
I felt looking in your eyes

With each crashing wave
Another life phase
But on the horizon
I see fate

I see something
Coming for me
Something I've never
Ever seen

And it's coming quickly
My heart won't stop beating
What is this feeling
Oh I wasn't sure

Roaring waves
Roaring feelings
Roaring thoughts
My brain won't stop
Spinning

I've never felt
The way I do
Out on the horizon
I see you

Coming to me
Smiling and shining
Though it's getting dark
You won't stop fighting

You're guiding my heart
Through the undertow
You won't give up
Until we make it to shore

Oh is it love
The sky declared
We can't be friends
We must be lovers
Instead

Walking on the beach
Staring out to sea
Out on the horizon
I see you

Rushing towards me
Sweep me off my feet
Tell me you love me
And I love you

I love you I do
I see that I do
I know that I do
I love you
