

Everywhere

By: Sierra Lewandowski

Everywhere I go
I see your face

When I was standing
Outside in the snow
I remembered
The day

You came over
With your boots
And your gloves
And your coat

You said Sie Sie
Come on let's go
Play in the
Snow

So we played in the yard
Snowballs and sleds
I sat down beside you
As we watched the sunset

When it got cold
We snuggled
Then you said

You knew
I loved the snow
And we should
Do this again

Everywhere I go
I see your face

While I was
Walking in the park
I heard a plane

So I looked up
And saw
It was your
Favorite jet

The last time
I saw it
You were telling me
That

I continued on my walk
I started going on them
Just to help me process
My thoughts and regrets

We used to
Walk together
In the park
Hand in hand

Back when our love
Was something
Magical rare and grand

Everywhere I go
I see your face

Always hurting
At the feeling
Of losing you

Always wishing
That my fantasies
Of us again
Were true

There's not a day
That I will go
Without missing you
