

Wait For Me

By: Sierra Lewandowski

I'll be right here
On the ground
I'll still be here
When you
Come back down

But wait for me
I'll be there soon
Before you know it
I'll be with you

Go chase your dreams
Up in the sky
I'll be right here
No need for goodbye

The futures here
In front of you
Can you hear them
All clapping for you

You're all grown up
So strong and tough
So full of love
Now soaring above

I know you have to leave
You're now young and free
There's so much to see
But please wait for me
