

I Don't, Can't, and Won't Ever Understand

By: Sierra Lewandowski

I got all A's back in school
I learned everything I had to
I always understood
Why people acted
The way they would

I was sure
That this was true
That I could handle
All disputes

That I was so mature
I'd been through it all
Nothings new

But yet I find
It racks my mind
To try to understand you

With your messy crimes
Your slithering lies
With no way
To be justified

I don't understand
I can't understand
Why you act
The way you do

And it can be assumed
Your happiness
Is soon to be doomed

And then maybe
You'll see
That your actions
Towards me
Won't ever leave

And to all of the people
You hurt carelessly
Oh how could you
Do it so easily

I don't understand
I don't think I will
I guess it's not
My spot to fill

I could read every book
Study and look through
All I've ever known

But I still won't know
I might never know

For I don't understand
I can't understand
And I won't ever understand
You
