

# **Breathe**

By: Sierra Lewandowski

Breathe in  
Breathe out  
Struggling  
To calm down

Trust me  
Hear me  
You're okay honey  
Just breathe

Drowning  
There's no air  
Breathe darling  
Your lungs will fail

Honey hear me  
I'm right here  
Breathe darling  
And wipe your tears

Oh breathe darling  
Breathe air
