[Verse 1]

fertile sponges words and terms learn the works with natural joy its cool playing with toys
careful pay attention
real conversation lead em by example
with ample explanations blessed creations young age is sacred granted dont take it blink of an eye
they be changing guide wit light, instead of fright give em patience tuck em in,
sleep tight if they anxious “everything is alright” be the mother,
be the father, be the leader be the teacher be the preacher be what ever you need to be we need ya
to raise em to change one another manifest a golden age
Yaw

[Chorus]

When I ask the children What do you know ?
I know light
When I ask the children What do you know ?
I know love
When I ask the children What do you know ?
I know light
When I ask the children What do you know ?
I know love
