[English Interpretation]

The vibe outside my house is dark Im always the profitofa stranger
And for thatreason I canttrustsociety
Cry cry cry
Why why why
Life of a shitappa Eyyye
Right,left,up,down, na im not below you
Hey you!, asshole!, you thing!, na that's not my NAME!
Life of a Shitappa Hey ye
Right,left,up,down, na im notbelow you Hold on a minute I have some question How can I make
mylife better?
The world outside is cold and dark Work all day and night, I get triggered
Ive been told so manytimes to throw away my dreams
Watching the troublesome news story
Only wayto earn moneyis with a phone
The society is getting strange to me
The church of ever seeing someone in real life But instead of that illl shine like the blue sky
And shine for the people
Ill try hard Real hard
Cry cry cry
Why why why
Life ofa shitappa Eyy ye
Right,left,up,down, na im notbelow you
Hey you!, asshole!, you thing!,na that's notmy NAME!
Life ofa Shitappa Heyye
Right,left,up,down, na im not below you
Asking me to bring tea all day and fill outhandwritten invoices
Pulling me bymychin and barking orders,
makes me tired
Life of a shitappa
If you use me its low pay
Makes me getemotional and hate you
Everytime you say no
even when it makes sense
My stomach hurts I wanna barf
Life of a shitappa

Living life this way isn't the way

Living life this way

isn't the way

For sure that's all I truly know

Life of a shitappa

Hey you!, asshole!, you thing! na that's not my NAME! Right, left, up, down, na im not below you
