It's time to shine

Keep ya feet moving forward Keep ya feet moving forward No time to cry It's time to shine

Keep ya feet moving forward Keep ya feet moving forward No time to cry

It's time to shine

I'm pushing thru the crowd I'm pushing extra extra miles pushing love wit

super smiles pushing souls body styles pushn doors open guards frozen Push the button It never closing love to Push vibes at the us open

pushing thru cuz I'm coping With My emotions what's the commotion Hands to the floor PushN a 100 more Stand up n roar

Pushn tires to the store

Man up n explore

Pushing boundaries galore

Push a little harder And get a little more

push a cushion to my lady Push amazing Get r spacing She pushing Kramer crazy push the keurig back to work Hard to cure it

Pushing healer tones Instead of life insurance

It's time to shine It's time to shine

Keep ya feet moving Forward

Keep ya feet moving Forward

All we gotta do it is try All we gotta do is try

Oh oh oh oh

25 hard years of adulting as we go Still Learning

Still yearning to grow I know my purpose

came at a time talent is worthless Wish it didn't take so long to surface Guess I gotta make the rules worthless It takes hella courage and guts

Live 40 the hard way check to check Daily headaches Touch gears of the machine along the way

Turn the page and I'm writing it today Soulful ears hear the tone We gotta make a place we all call

home Before it's too late and police become drones Before it's too late the police become drones If you don't know, now you know

Hey

It's time to shine

Keep your feet moving forward Just go

Keep ya feet moving forward Never let go

No time to cry, it's time to shine On and on and on and on and on

Let's go Let s go

[Repeat]
