[Chorus]

Oh oh
your all i need
Oh oh
Your all I need
Oh oh
Your all I need
Oh oh
your all I need

[Verse 1]

open eyes with smiles
hearing sounds must be heaven embrace
music makes my day better or worse depends
on the verse the words
the inspiration provoking anger towards strangers or evoking love sent to us instead of doves
some say it's one in the same
but achieve the same level of above
peace in my brain
notes words and vocal spells seems to me the love is the gel as long as i got a bell
i could survive life in hell. maybe that's why
maybe that's why your all i need to get by

[Chorus]

your all i need
to get bye eye eye eye
your all i need
to get bye eye eye eye

[Verse 2]

long day at work night time i jam little sleep at all
over and over again
long day at work night time i jam little sleep
then i do it over again
