[Chorus]

i don't give up hope i don't give up hope i don't give up hope i won't give up hope
worst comes to worst
after im gone just pay my next of kin a fat purse

[Verse 1]

and all their kids and all their kids and all their kids if i can't be seen it's okay with me

[Chorus]

worst comes to worst after i'm gone
pay my next of kin and all their kids and all their kids and all their kids

[Verse 2]

legendary energy in a digital zoo penitentiary automatic straight jacket barred from entry

[Chorus]

i don't give up hope i don't give up hope i don't give up hope i won't give up hope
if i can't be seen, it's okay with me;

[Verse 3]

i'll just make a post thumous legacy, every day at 3, uploaded cloud key, only my number 1 has
access to entry,
na dude i ain't the type to do a killing spree
i might got red tinted hair but im in gods care no way this copper wire self retires
don't give up hope don't give up hope don't give up hope i won't give up hope
recently it dawned on me insecurities of others is like a bane it's never too late for some to change
wont win with hardwired brains & perpetual sins
everyday i create to create like hitting the gym to feel great there's no need to contemplate
i'm just documenting the digital age

[Chorus]

i don't give up hope i don't give up hope i don't give up hope i won't give up hope
worst comes to worst
after im gone just pay my next of kin a fat purse

[Verse 4]

and all their kids and all their kids and all their kids

[Chorus]

if i can't be seen it's okay with me

worst comes to worst after i'm gone

pay my next of kin and all their kids and all their kids and all their kids

[Verse 5]
