[Chorus]

Gotta Love Home

you know i got my suitcase and my shoelace when i go ho oo ome

you know i'm comin thru with that new way gotta love home

i got my family right beside me, we riding love ho o ome

we got the best food you can fight me

First Flight back

had to grab that Giardineria Hot off at halsted stop

uic arena

as he walk across the stage to be a dreamer

memories fly by saturdays, spades, &

wild charades

in high school

i never got french braids rocking the riley for decades na im not a cop

many sleepless nights out in the heights smoking blunts getting drunk

never understood fear of them lights

they let me go cuz im white friends stared me down with fright Thankfully they all survived.

Got muffed from side to side same friends mamma,

said stay outside, chalked it up as eye for an eye, gotta be real

it kinda made me cry.

From those days on

i knew the worlds not right. go on

and sleep well tonight Treat yourself to

A couple more Chicago delights.
