## [Chorus]

When your backs against the wall / the wall x2 Pressure gets real tall / the wall x2

Answer when it calls / the wall x2 Push it til it fall / the wall x2

## [Verse 1]

too many times i had to read between lines flank just right

to survive

praying gods on my side

if i got no where to hide

not gunna run ain't gotta gun when it's been one

it's been one

make a decision one winter to avoid like a ninja

i'll never consider to injure

but i got reflexes

so don't be reckless

singin a hymn

bringing the vibe

do what i gotta do to survive walking alone in sand or by a river with a tribe it doesn't matter i stand i

got the will to thrive

when it's time it's time

only one that know is the divine. back against the wall pushing thru do or die

## [Chorus]

When your backs against the wall / the wall x2 Pressure gets real tall / the wall x2

Answer when it calls / the wall x2 Push it til it fall / the wall x2

## [Verse 2]

Air thick with all the violence / Walk in beauty talk in silence Can't close me in or throw me off of my mission

Natives stay Free be the name, just listen

Got to make the comeup off a bad gestalt / Keeping it together when the bodies are sprawled I know you just got here it's not your fault / Pray tell what will you do when your backs against the wall?

## [Chorus]

When your backs against the wall / the wall x2 Pressure gets real tall / the wall x2  
Answer when it calls / the wall x2 Push it til it fall / the wall x2
