[Verse 1]

vendettas (ugly like a) Christmas sweata Healing never better Tunnel vision decisions a given bigger
pictures hidden Naw naw naw
in plain sight Ima funnel a bit
and share the light Born innocent,
we all start the same Paths separated
in a matter of days From that point life Grow in several ways Feel parents pain
vendettas like a Christmas sweata Healing never better Tunnel vision decisions a given bigger
pictures hidden Naw naw naw
See many craving for the voice of change While the powers that be Delete the page
They keep us fighting each other It's so deranged
profits Lock us in a phone, a virtual cage There's a way We can stop it
Become estranged
Men and women change And pray for a better way the color is a shade of gray
