

2021 CATALOG

HELLO FROM LANDAU®

Thank you for considering a Landau® Pontoon. There are many options when it comes to selecting a pontoon boat. So why Landau®?

We are an independent, family-owned manufacturing company.

We are not a giant corporation, and we are not a high output assembly operation shoving out thousands of boats per year.

Landau® Boats are still handcrafted.

We don't just buy components and assemble them. We start with basic raw materials and make our own.

All our upholstery is made in-house.

We not only make our own pontoon logs, but we are one of the few companies that design and manufacture our own upholstery. Most of our competitors buy and install pre-made furniture.

LIMITED LIFETIME WARRANTY

THE FOLLOWING COMPONENTS ARE COVERED BY A LIMITED-LIFETIME WARRANTY FOR THE ORIGINAL PURCHASER:

PONTOONS AND STRUCTURE:

All pontoon logs, the aluminum undercarriage and motor pods carry a Limited Lifetime Warranty against structural defects in materials and workmanship for the original purchaser.

WOOD DECKING:

All wood decking carries a Limited Lifetime Warranty against structural defects in materials and workmanship for the original purchaser.

ALUMINUM RAILING:

All aluminum pontoon tubular railing carries a Limited Lifetime Warranty against structural defects in materials and workmanship for the original purchaser.

SEAT BACKS AND BASE:

All seat frames carry a Limited Lifetime Warranty against defects in materials and workmanship for the original purchaser.

ALL OTHER ORIGINAL COMPONENTS CARRY A 5-YEAR STEM TO STERN LIMITED WARRANTY.

In addition to Landau's® Limited Lifetime Warranty on structural items, Landau® offers a 5-Year Limited Warranty that protects the original owner from defects in materials and workmanship for all other original components. Landau® will replace or repair any original part or component deemed to be defective for a period of five years from the original date of purchase.

This Limited Warranty does not cover results of abuse, damage or normal use. Landau® will repair or replace any items deemed defective at the Landau® facility in Lebanon, Missouri or pre-approve and pre-authorize repairs or replacement at an authorized repair center. Transportation charges are not covered under this limited warranty program.

Color Matching Mooring Cover

2021 CATALOG

THE CERTIFIED ADVANTAGE

The NMMA Certified label on a Landau® boat is your proof it meets, and often exceeds, the industry's strictest quality and safety standards.

Safety Note: Landau® recommends for all persons to take a United States Coast Guard (USCG)-approved course in safe boat handling procedures or its equivalent along with fully reviewing all boat product operating manuals and procedures.

Manufacturing Note: The information printed in this brochure is based upon the latest product information available at the time of printing. Landau® reserves the right to make changes at any time to prices, colors, materials, equipment, specifications and models, and to discontinue models without notice or obligation. All specifications are approximate and dimensions are nominal. Text may mention optional equipment which may be included as a standard item in your model of choice. Photographs and illustrations may also show optional equipment available at additional cost.
