Deployment Mobilization Checklist – SOG001

This checklist will be utilized when YDBLE gets a call to service.

- Initial dispatch call – open up response form and start gathering all information
- Send RP if individual a copy of YDBLE waiver and tell them to sign it and return via text to 509-899-7635 or email at pmckinnon@theyellowdogbrand.org (signed picture of document is ok, just make sure its legible)
- Start volunteer call out. Give name and location of fire and meeting point. Volunteers must pack their issued YDBLE uniform and volunteer items on resource list.
- Hook up trailer, ensure all lights and equipment are in operation order before leaving. Ensure that all YDBLE equipment is operational ready.
- During mobilization contact fairgrounds/check in with offices of emergency management to see where large animals' shelters are located and if they are taking animals.
- During mobilization make contact with Authority Having Jurisdiction (AHJ) or IMT PIO.
- During Mobilization gather fire details - map, location, evacuation zones and their levels, road closures, weather forecast, morning briefing notes from NWCC.
- If given permission by AHJ, go to initial evacuation call location, if not check in with PIO/LE at the command post.
- Arrive at evac location, park vehicles facing way of egress, determine location of fire, evac routes, and safety zones. Remember everyone is a lookout.
- On location ensure proper documentation of waiver and response form. Mark animals appropriately, document stock type, number of animals loaded and drop off location.
- Drop animals off at emergency shelter and document who took the animals in as a transfer of care.
