SPEAKATHON SHOWDOWN: WARRIORS OF WORDS IN PLAY!

WHERE MAHE SPEECHES MADE A SUNDAY MORNING BRIGHTER.

THE VERBAL COMBAT: MAHE'S SPEAKATHON EDITION!

31 August, 2025: Our 88th meeting kicked off sharp at 9:30 with a Speakathon full of energy and inspiration. Acting SAA TM Aleena set the tone before handing the stage to our President TM Aarif, who then welcomed our dynamic TMod, TM Richa, leading the meeting with the lively theme “Games.” The silent role players were introduced, with Timer, TM Aleena and Ah Counter & Grammarian, TM Hersh ensuring smooth proceedings. The prepared speeches began with TM Nirupama, followed by TM Navneeth, TM Niranjana, TM Sidharth, TM Aarif, TM Sven, and TM Ritesh, each bringing their own unique spark to the stage. After a short break, the evaluation segment saw seasoned Toastmasters share their insights, beginning with TM Joey and followed by DTM Pragnya, DTM Divya, DTM Fameeb, TM Sachin, DTM Mandarr, and DTM Khaleejan. The Ah counter and Grammarian reports were presented by TM Hersh, and the session was wrapped up memorably by DTM Steven, who delivered a witty general evaluation as the Roastmaster! TM Richa concluded the meeting and passed the stage back to President TM Aarif for the closing address. The success of the Speakathon stood as a testament to the guidance and expertise of our seasoned Toastmasters, whose evaluations and mentorship ensured that the meeting was not only engaging but also deeply enriching. Definitely a Sunday morning worth getting out of bed for!

CASHING IN ON FRIENDSHIP: THE TREASURER REUNION!

After a long spell of absences for several meetings, past treasurer TM Amritha finally made her much-anticipated return to MAHE TMC, all thanks to the determined efforts of TM Aleena. The timing couldn't have been more perfect, as our current treasurer TM Navneeth got to meet her in person for the very first time. The meeting saw an epic exchange of smiles, laughter, and probably a few unspoken “so you actually exist!” moments. It was a reunion that balanced nostalgia, curiosity, and humor. Two treasurers, one frame, countless invisible spreadsheets, and a moment that made this Speakathon even more memorable.

NO SPARES ON FUN: MAHE MAVERICKS STRIKE BIG!

The MAHE Mavericks brought their A-game to the Division C Bowling event, proving that when it comes to fun, there are no spares! Armed with bowling balls and big smiles, the team rolled, struck, and occasionally stumbled, but always with laughter and camaraderie. From cheering on each other's strikes to playful banter over near-misses, every frame was a reminder that whether it's speeches or sports, MAHE knows how to make their presence felt. The Mavericks had an amazing time bonding and rolling alongside the other clubs, making the event a truly memorable experience for all.

HOW TO LAUNCH THE PERFECT STARTUP

Dear Founder in Stealth (Forever),

Every entrepreneur starts somewhere. You? You start with a half-baked idea, a Canva logo, and the unshakable belief that buzzwords will cover up the absence of a product.

You're not here to build something. You're here to brand something. And that's exactly why you're going to fake a startup — confidently, publicly, and with absolutely no working backend.

Think about it: You don't need a license. You need a landing page. Something that says “revolutionising access to financial ecosystems using community-driven tokenised synergy”, but means nothing. Perfect. Then, hire your friends as “co-founders.” Not the useful ones. The ones with decent LinkedIn headshots. Give them fake titles like Chief Ecosystem Architect and VP, Dubai Region & Vibes.

Start posting:

“Humbled to be building something quietly disruptive. Still in stealth. DM if you want to build.” Add 15 hashtags and a blurry team photo with someone holding karak.

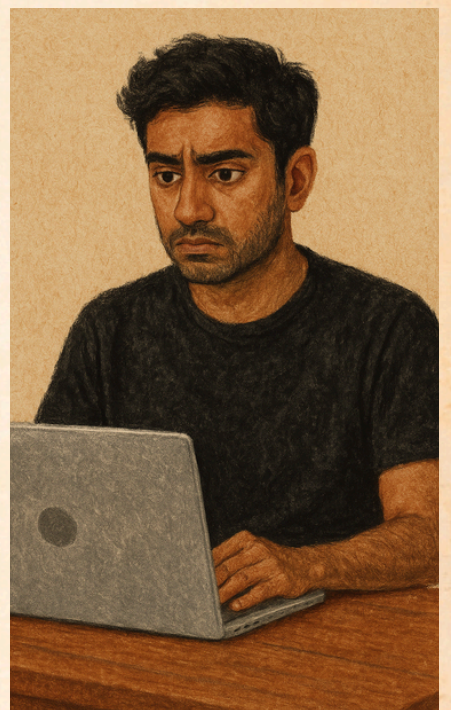

When people ask what the product is, say “We're still validating the problem.” When investors ask for traction, say “We've got great interest.” From who? Doesn't matter. Say waitlist and move on.

You're not lying. You're pre-launching.

You're not wasting time. You're iterating on narrative.

Your (Ir)Responsible Advisor,

The Foolproof Financial Guru - TM Navneeth Nair

MAHE MAVERICKS' PIN PERFECTION!

The MAHE Mavericks didn't just bring their A-game to the lanes, they also wowed everyone with their creativity! The team bagged the Best Team Logo Award at the Division C Bowling event, thanks to the brilliant design by TM Aarif. Adding to the flair, the team's poster, crafted by TM Sidharth, perfectly captured the spirit and energy of the Mavericks. From their striking performance on the lanes to their award-winning visuals, the MAHE Mavericks proved that they can roll, design, and dazzle all at once!
