9th July, 2025: The 85th meeting of MAHE Dubai Toastmasters Club was nothing short of electrifying, packed with fresh beginnings, impactful speeches, and a whole lot of energy. Then came a momentous milestone, the **ExCom Installation Ceremony** led by none other than DTM Deepa Surendran, officially welcoming our new leaders in style! Our newly minted President took over to deliver the Opening Address before handing the reins to our Time Lord Extraordinaire, Toastmaster of the Day, TM Ritesh who opened the portal to 1825 with his theme "*Time Travel*" and steered the meeting with flair. TM Sriresh took charge as both the Ah-Counter and Grammarian, while TM Navneeth, our Wordmaster, introduced the energizing word of the day: **Invigorate**. The Prepared Speeches session brought some serious inspiration to the room! TM Nirupama spoke straight from the heart in her speech titled "*I Choose Me*" and TM Aarif followed with an incredibly thoughtful perspective in his speech titled "*A Different Way*." Then came a Table Topics session that kept us on our toes, hosted by the ever-dynamic DTM David. Evaluations were handled with precision by TM Sidharth and TM Niranjana, followed by reports and a fun-filled wrap-up by our fun-tastic General Evaluator, DTM Steven, who tied it all together like the pro he is!! YOUR WEEKLY DOSE OF EXCELLENT (TERRIBLE) MONEY ADVICE

Dear Financially Fearless Reader,

Why struggle with the boring basics of budgeting when you could be living on the exhilarating edge of economic chaos? This week, we reveal **THE #1 SECRET TO FINANCIAL FREEDOM**: If you have a loan, just take another loan to pay off the first. Boom, debt neutralised! Who knew life could be this simple?

Remember, interest rates are just tiny thank-you notes from the bank for trusting you with money you don't have. So rack them up! It's like collecting loyalty points, but for your soul.

And don't stop there. Why not refinance your refinanced loan with yet another loan? That's three loans cancelling each other out, a financial Bermuda Triangle where your debt just disappears.

Pro tip: If your bank stops answering your calls, just get a shiny new credit card. Banks love serial borrowers, they're like family, but with better terms and conditions. Until then, spend bravely, owe boldly, and never, ever check your statements.

Your (Ir)Responsible Advisor,
The Foolproof Financial Guru - TM Navneeth Nair

IN A DIFFERENT WAY

It was a quiet evening, calm and sweet,
I took a walk with tired feet.
The breeze was soft, the sky turned gold,
The kind of peace that never gets old.
Birds sang songs as day turned dim,
When I heard a cry near the garden rim.
A little girl, eyes full of fear,
“I lost my doll, she was just here.”
We searched around, but it grew too late,
“Let’s try tomorrow,” I said at the gate.
Next day came, no doll in sight,
So I gave her a note to make things right.
“It’s from your doll,” I gently lied,
“She’s off exploring, but she’ll be by your side.”

TM Aarif Mohammed

Each day I wrote her tales with care,
And saw her smile grow from despair.
One day I gave her a different doll,
She frowned, “This isn’t mine at all.”
I handed the doll and said, “Read the note...”
She opened it wide and cleared her throat:
“Everything you love, is likely to fade & grey,
But in the end, return to you it will;
In a different Way!!”

TM ZUBAIR : COT'S FAVORITE TIMER!
