WHEN LIFE GIVES YOU LEMONS, MAKE LEMONADE!

MAHE TOASTMASTERS BREWS BRILLIANCE IN EVERY SIP AND SPEECH!!

WHATS IN A MEETING? WHATS IN OUR MEETING?

27th June, 2025: Our 84th meeting was a flavorful mix of inspiration, and storytelling. The evening began with the Sergeant-at-Arms, TM Sven kicking off the meeting, followed by the current President (2025-26) TM Aarif welcoming everyone with warm energy. The session was smoothly steered by the Toastmaster of the Day TM Sidharth, who introduced the intriguing theme of the evening “What’s in a name?”. The Wordmaster TM Navneeth introduced the word of the day, “zealous,” which perfectly captured the energy of the evening and inspired members to speak with passion and enthusiasm. He also diligently doubled up as both the Grammarian and Ah Counter, keeping a keen ear on language and filler words throughout the session. The Timer TM Hersh kept a sharp ear and eye on every performance. We enjoyed thought-provoking speeches from our Prepared Speakers including TM Godspower who gave his ice-breaker speech “Finding Me”, TM Aarif who also gave his ice-breaker speech titled “How is Life”, TM Nirupama who gave the speech “I choose me”, and TM Niranjana who gave her humorous speech titled “Victim No. 204”. The Table Topics Master TM Richa guided impromptu magic in the meeting, and finally we had thoughtful insights from our esteemed Evaluators TM Sidharth, TM Navneeth, TM Sven, DTM David. It was truly a night of learning, laughter, and a little MAHE magic!

NEWS ABOUT THE NEWS: MAHE DUBAI TMC TIMES MAKES ITS DEBUT

You’re reading Issue #2, but let’s rewind for a second.. During our last meeting, President TM Aarif officially launched the very first edition of the MAHE Dubai TMC Times. Designed and brought to life by the ever-resourceful TM Sidharth, Issue #1 was unveiled with cheers, chuckles, the right number of awkwardly posed photos and last but not the least, the realization that we’ve officially entered our newsletter era ! Here’s to many more editions, many more memories, and a newsletter that keeps getting better with every issue.

THE FOOLPROOF FINANCIAL GURU PRESENTS: “SKIP LUNCH, BUY LATTE, THE SECRET TO RETIREMENT

Everyone says: “Cut out your daily latte to save for retirement.” But that’s quitter talk! Real financial warriors know that skipping lunch and buying that overpriced artisanal oat milk pistachio rose latte is how you win at life. Think about it: No lunch means fewer calories, and every cup of coffee keeps you too jittery to feel your stomach growling. It’s like intermittent fasting; but with extra whipped cream.

Who needs boring salads when you can sip your way to enlightenment? Better yet, share your new lifestyle on Instagram. That 28 dirham latte is really an investment in your influencer career. Someday you’ll be sponsored by a bean-to-cup microbrewery that lets you write off your entire coffee addiction as a business expense. Early retirement and unlimited caffeine? Genius. So next time your bank app flashes red, don’t panic, treat yourself. Your future self will thank you for being hungry, broke, and highly caffeinated enough to ignore it all.

Next week: How to save on housing costs by moving into your local café.

FROM LEMONS TO LIFE LESSONS

President Aarif didn’t just say life is like lemonade—he went full method. Right there on stage, he brought out lemons, condiments, and enough flair to rival a cooking show. As he stirred, he served up life lessons—sweet, salty, sour, and everything in between, turning each ingredient into a clever metaphor. Just when the audience thought it was all symbolic... surprise! Everyone got an actual glass. A speech with flavour, meaning, and hydration? Now that’s what we call a pour-fect performance.

TM Sidharth took a page literally from Shakespeare and asked the age-old question: “What’s in a name?” His message? Not much... unless you’re planning to judge someone by it. With a theme rooted in the idea that labels don’t define us, TM Sidharth reminded the room that it’s not the name we carry, but the character we build, the choices we make, and the impact we leave behind that truly matter. No matter what your name is, it’s the fragrance of your actions that people remember.

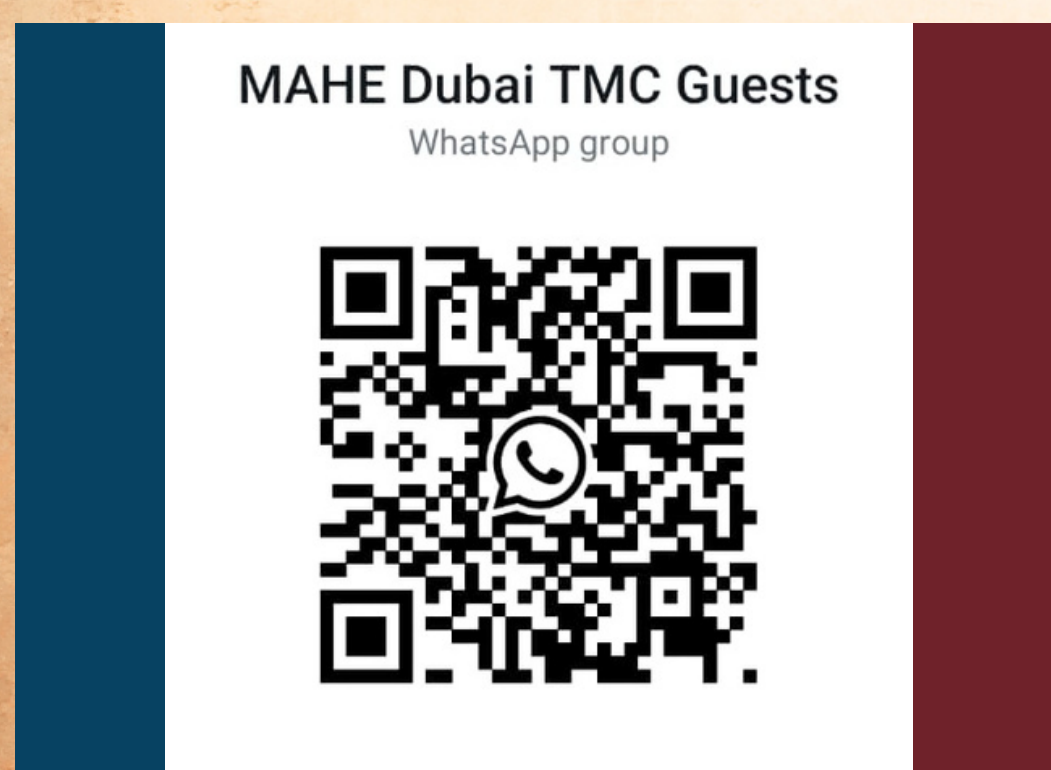

SVEN'S SPEECH ERA: THE EXTENDED CUT

Once upon a time, TM Sven was the quiet guy in the corner, But not anymore. Now, he grabs the mic and holds on for dear life. As an evaluator at this meeting, Sven delivered such a passionate, detailed, and never-ending analysis that the Timer probably needed a support group after. He may have gone overtime, but hey! when you've got that much to say, why stop? From silence to spotlight, Sven's transformation is proof that MAHE Toastmasters really works... maybe too well.
