MAHE BRINGS THE MAGIC

MAHE’S MAGICAL GIFTS SPARKLE AT THE GALA EVENT

DTAC 24-25 WINNER SVEN'S DIET REVEALED - AND IT'S DELICIOUS

DTAC Champion Sven D'Souza was recently spotted indulging in a shawarma in the heart of Oud Metha — and we think we've cracked the code to his success!. According to Sven, his favourite shawarma comes from Al Haj Cafeteria, conveniently located in his building. In fact, he claims he can smell victory—and shawarma—from his balcony. Some say it's garlic mayo. Others say it's greatness.

"I genuinely believe a good shawarma makes me a better speaker," Sven confessed between bites.

TREASURER NAVNEETH IN FEAR: VPPR NIRANJANA HAS THE PHOTOS

In a scandal that's shaking the flip-flops off the finance department, the MAHE Dubai Treasurer was caught in the act —attempting to bribe the VPPR to stop her from posting his embarrassing photos on social media. Sources say the bribe may have included budget surplus snacks and promises of "no questions asked" reimbursements.

PRESIDENT'S DISTINGUISHED CLUB AWARD AT DIV C GALA NIGHT 24-25

THE MENON SISTERS: FROM PEER PRESSURE TO SHOWSTOPPERS!

What started as a lighthearted joke turned into one of the most memorable performances of the night! Just one day before the event, the Menon sisters were gently peer-pressured into performing on stage. While the suggestion may have come with a few laughs, what followed left the entire audience in stunned silence — and then thunderous applause. With passion, elegance, and unshakable stage presence, they turned a spontaneous challenge into a show-stealing moment. Their performance wasn't just graceful — it was powerful, heartfelt, and proof that sometimes, the best moments come from unexpected asks. MAHE Dubai salutes the Menon sisters for turning peer pressure into pure performance magic!

We're proud to announce that MAHE Toastmasters was awarded the President's Distinguished Club Award at the Division C Gala Night — the highest recognition a club can achieve! The award was accepted on stage by our incredible VPE, TM Richa, who has been the driving force behind this achievement. With her constant encouragement, follow-ups, and unwavering dedication, she ensured every member stayed on track and pushed us all to reach our goals. Richa, thank you for being the heartbeat of our club this term. Your efforts made this victory possible, and we're so proud to celebrate it with you! Here's to excellence, teamwork, and many more milestones ahead for MAHE Toastmasters!

THE FLIP-FLOP FINANCE MINISTER

In an unexpected turn of events, the MAHE Dubai Treasurer for the term 2025–2026 was seen smiling after reviewing the financial report. Yes, smiling — a rare occurrence for someone who usually frowns. Whether he'll still be smiling this time next year is anyone's guess — but one thing's for sure: his support is as constant as his grin.

However, the treasurer didn't hold back when voicing his disappointment with the President DTM Sowmya, who, to this day, has not given him his Toastmasters pin. A true champion of justice, he vows that every member will receive their pin — no one else shall face such pin-less pain.

Meanwhile, the club has taken note of his signature flip-flop fashion. In response, MAHE Dubai has proposed gifting the treasurer a new pair of shoes.

THANK YOU DTM SOWMYYA

A leader, mentor, and constant source of inspiration, DTM Sowmyya has played an incredible role in shaping the MAHE Dubai Toastmasters Club. In fact, MAHE is often lovingly referred to as "Sowmyya's Club" — a title we wear with pride. We're deeply grateful for everything she has done for us, and we promise to carry forward the standards she helped set. Our commitment is simple: to make MAHE a club so exceptional that she continues to say with pride, "I'm from MAHE Dubai TMC too."
