BEYOND THE NORM: VOICES THAT BREAK BARRIERS!!

THE ONE WHERE WHERE STEREOTYPES DIDN'T STAND A CHANCE.

UN-'TYPING' THE STEREOTYPES: DIC2 MEETS MAHE TMC

13th August, 2025: Last week, two dynamic clubs came together for an unforgettable evening of "Breaking the Stereotypes." Hosted by the energetic duo TM Nirupama and TM Kashif, the meeting was filled with laughter, insights, and plenty of surprises. The evening began with TM Zahra, our ever-graceful SAA, handing over the stage to TM Aarif, President of MAHE TMC, who set the tone for the night. The baton then passed to the TMODs, who introduced our silent yet powerful role players including the timer, TM Zahra and the Word Master, Ah Counter & Grammarian, TM Niranjana. With the stage set, the Prepared Speeches lit up the room as TM Wael, TM Navneeth, TM Karin, and TM Sidharth challenged stereotypes with their thought-provoking speeches. After a refreshing break, TM Zubair and TM Abdulkarim made the meeting more lively with a Table Topics session that had everyone thinking on their feet. The Evaluation segment saw sharp and supportive feedback from TM Aarif, TM Karim, TM Godspower, and TM Zahra, followed by a comprehensive General Evaluation by TM Ashish. Finally, the evening closed on a high note as the Presidents of both clubs came together to wrap up this vibrant joint meeting. Breaking stereotypes may not be easy, but together, MAHE TMC & DIC2 TMC proved that it's always possible and always fun!

WHERE SWEETNESS MEETS PURPOSE: WHEN DREAMS WELCOMED MAHE

encouragement and purpose, earning him the Best Evaluator Award of the evening! It was a proud moment for MAHE, reminding us that our members carry the club's spirit wherever they go. The evening showed us that when we combine sweetness with purpose, not only do we grow as individuals, but we also leave behind a taste of inspiration that lingers long after the meeting ends. And just like that, purpose found its sweetest expression.

Last week, MAHE TMC members added an extra scoop of flavor to their journey by attending the Dreams Club meeting, themed "A Date with Sweetness and Purpose." The evening lived up to its name, filled with inspiring speeches, heartfelt sharing, and the kind of purposeful learning Toastmasters is all about. The cherry on top? Our very own MAHE member, TM Zubair stepped into the evaluator's role with confidence and insight, delivering feedback that was as constructive as it was sweet. His words struck the perfect balance of impact,

START A SIDE HUSTLE YOU'LL HATE IN SIX WEEKS

Dear Chronically Understimulated Overachiever,

You've got a decent job, a decent salary, and a gym membership you pretend to use. But something's wrong, your soul still feels lightly unmonetised.

So you do the logical thing: start a side hustle. Not because you need the money. No, no. But because the guy in your building drives a G-Wagon and said, "Bro, passive income is key." He sells protein powder on commission. From his car.

Think about it: You could be reselling sneakers you don't understand, launching a coffee brand with zero roasting experience, or selling custom prayer mats on Noon while pretending it's "limited edition."

You'll spend AED 3,500 on branding, AED 99 on a domain, and two hours daily posting fake "orders" on your stories. By week four, your Instagram bio says "Founder | Hustler | Heart." By week six, you're wondering if the ROI on burnout is tax-deductible.

And yet, you won't stop. Because quitting is for people who aren't building empires out of Google Sheets and delusion.

CRUISING WITH DSO!! : MAHE IN THE PASSENGER SEAT

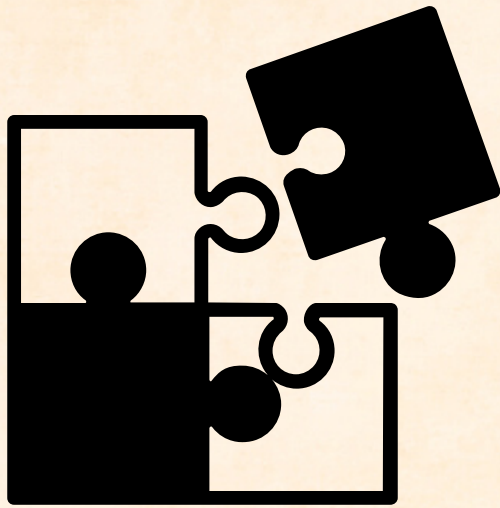

The members of MAHE Toastmasters Club revved their engines and cruised over to the DSO Club Open House, themed "The Revolution of Cars." True to the theme, MAHE members decided to enjoy the ride from the backseat (quite literally), sitting at the back and soaking in every moment of the high-octane meeting. From vintage charm to futuristic flair, the sessions had everyone shifting gears with creativity and confidence. And while DSO took the driver's seat, MAHE members were the enthusiastic passengers, cheering, learning, and proving that sometimes the backseat is the best place to enjoy the view.

CRACK THE CODE!!!

Time to put your thinking caps on! This week, we’re adding a little twist to our newsletter with a fun riddle. Think you know your pathways? Let’s see if you can crack this one!

“I help you inspire, encourage, and lead,
Building teams strong with every good deed.
Which path am I?”

IN MY DEFENSE, WITH MAHE’S PRESENCE!!

MAHE TMC members recently joined Arabian Dreams Toastmasters for a meeting themed “In My Defense.” The session was packed with engaging speeches, witty arguments, and plenty of thought-provoking moments. TM Aarif took the stage as a speaker and captivated the audience with his delivery, earning the title of Best Speaker of the evening. A proud moment that showcased MAHE’s voice resonating beyond our own stage. Even beyond our home club, MAHE continues to make its presence felt with purpose and passion.

PANI PURI POLITICS!! : AREA 9 DIRECTOR EDITION

Our Area 9 Director, TM Richa, was recently seen indulging in her not-so-secret obsession, pani puris! Word on the street is that this tangy treat is her ultimate stress-buster after a long day of leading clubs across the Area. Sources close to her (fellow Toastmasters) say she has mastered the art of balancing spicy water with spicy agendas. Some say it’s just street food. Others say it’s the fuel of champions. Turns out, pani puris might just be the real Area Director’s secret weapon.

MAHE “KEEPING IT SIMPLE” AT PARAMOUNT!!

Paramount Toastmasters set the stage for an enriching evening with their theme “Keep It Simple.” The meeting beautifully emphasized how clarity and simplicity often leave the deepest impact. From speeches that conveyed strong messages with ease to evaluations that cut through complexity with precision, every segment reflected the theme in action. Adding to the spirit of collaboration, members from MAHE TMC joined as evaluators, contributing their perspectives while also learning from the vibrant exchange of ideas within the club. The session proved that simplicity is not about doing less, but about doing things with focus and purpose, making every word count and every role meaningful.
