SPILLIN' THE SAUCE! : MEETING #86 COOKED, TOASTED & DELIVERED

23rd July, 2025: At exactly 6:53 PM, our ever-reliable SAA, TM Ritesh, stirred the meeting into action with flair. DTM Ramesh then took us on a flavorful journey through the 6 Secret Ingredients of a successful club, aka the Moments of Truth, from First Impressions to Achievement Recognition, revealing what truly keeps our sauce from spoiling! President TM Aarif followed with a quick, hearty blend of passion and purpose, before passing the ladle to our TMoDs, TM Navneeth and TM Niranjana, to cook up the rest of the meeting themed “**Whats holds the Sauce**”. Our co-chefs introduced the silent yet mighty role players, Timer TM Nirupama and Ah-Counter & Grammarian TM Sven. Then came TM Sidharth, our Word Chef, who served up the word of the day- “Adept”, a perfectly spiced addition that left us all feeling a little more... adept! In the prepared speeches segment, the heat was on. TM Godspower delivered “Don’t Stop”, with lines that hit like chili flakes. TM Zubair followed with “Two Scoops with a Smile”, a sweet serving of storytelling that left us wanting that final scoop. After a quick break, we dove into the Spicy Surprise Round, led by TM Aleena, our Table Topics Master. Then came seasoned Feedback & Evaluation Time, with TM Sriresh and TM Ritesh delivering crisp evaluations. Finally, DTM Deewee, in her signature style, wrapped up the session with insight, warmth, and just the right amount of heat to help us grow. The 86th meeting had all the ingredients of a Michelin-star Toastmasters night. And as for What Holds the Sauce? According to our President, the sachet does!

CLUB GOALS ON THE MENU: THE MOT MASTERCLASS

DTM Ramesh led the Moments of Truth segment with his usual spark, turning what could have been a routine talk into a hands-on workshop! He divided the club into groups, inviting each team to brainstorm and cook up key focus points for the upcoming term. It was a creative team effort, each group blending their ideas to build a solid game plan for club success. It was clear that when we put our heads together, great things happen, plus, it didn’t hurt that we had a lot of fun doing it! By the end, we walked away not just with ideas, but with plenty of enthusiasm to make the upcoming term truly awesome. A big thank you to DTM Ramesh for leading such an engaging and productive session that truly brought out the best in all of us. With this kind of teamwork and spirit, there’s no doubt the upcoming term is set to be a fantastic one!

GET YOUR PET A CREDIT CARD, IT’S CALLED PAW-SITIVE CASH FLOW”

Dear Financially Codependent Animal Lover,

Why are you the only one in your household with debt? Your cat judges you from a velvet cushion, rent-free, while your dog spends all day licking the floor. It is time your pets took responsibility, starting with a credit card.

Think about it: If Mr. Whiskers can knock over your AirPods, surely he can handle a small monthly payment. Give him a gold card. Let him build a credit history. When the vet bill hits, he can earn miles for the trip to the emergency room.

Better yet, make it a joint account. Swipe it for chew toys, gourmet tuna, and those anxiety chews you claim are “for the dog.”

When the debt spirals? Transfer the balance to your parrot’s card. He never asked to be born into financial illiteracy.

And if you’re worried about fraud, relax. The real scam is that they’ve been freeloading this long. Financial empowerment begins at the food bowl.

Her feedback wasn’t just helpful, it was sprinkled with warmth, wit, and just the right dose of honesty that made everyone feel seen, supported, and inspired to grow. As always, DTM Deewee didn’t just evaluate, she elevated the entire meeting!

A FEAST OF MILESTONES: OUR PATHWAYS PROGRESS!

As a club that truly lives the Moments of Truth, we made sure to shine a well-deserved spotlight on one of its most meaningful pillars, the Achievement Recognition. Because here at MAHE TMC, progress isn't just a checkbox, it's a reason to celebrate! This week's meeting was bursting with milestones. TM Aarif completed his entire Pathway in Strategic Relationships, earning not just a shiny pin but also some serious bragging rights! TM Aleena wrapped up Level 1 with style and confidence, paving the way for more wins to come. Meanwhile, TM Navneeth, TM Sven, and TM Niranjana crossed the finish line of Level 2 on their respective paths, showing that consistent effort leads to real impact. And of course, TM Sriresh reached a major milestone by conquering Level 3, proving he's well on his way to even greater heights. With proud smiles, loud applause, and a table full of ribbons, we turned the moment into more than just a formality, it became a celebration of dedication, progress, and perseverance. Because at MAHE TMC, we don't just simmer in potential, we bring the heat, cook up progress, and always dish out recognition when it's due. MAHE GOES BACK TO SCHOOL AT EAGLES 50TH MEET!!

On 26th July 2025, Mahe TMC members stepped back in time to the 50th meeting of Dubai Eagles TMC, embracing the "Back to School" theme in full style. Decked out in their old school uniforms, they brought the classroom vibes, complete with homework-ready looks and maybe a few cheeky "front-row star" smiles. Our members dressed the part in nostalgic school uniforms, bringing a wave of childhood charm to the event. The theme brought out shared smiles, playful memories, and a whole lot of retro energy. This was proof that some memories and some styles never go out of fashion. The meeting was definitely a reminder for us that school spirit doesn't come with an expiry date!

PASTA-BLY THE BEST HOSTS EVER: FUN MEETS FLAVOR!

TM Navneeth and TM Niranjana served up the theme "What's holds the Sauce?" with enough flavor to make even a lasagna jealous! From the very first minute, the meeting simmered with energy, layered like the cheesiest penne rigatoni with wit, warmth, and just the right dash of saucy humor. The TMoDs cleverly compared each role player's character to different types of pasta, adding a fun twist that made the theme extra tasty. Their playful banter kept everyone hooked, like waiting for your favorite pasta to be served. Their transitions were smoother than a melted mozzarella stretch! They kept things rolling smoother than macaroni twirled on a fork and sprinkled in just enough spice to make even a fiery ravioli blush. The whole night was cooked to perfection as it was satisfying and full of surprises. If this meeting were a dish, we'd call it comfort food for the Toastmasters soul. The blend of humor and heart made sure no one left hungry for more, and the energy in the room was like a perfect pasta boil. Truly, TM Navneeth and TM Niranjana proved that with the right ingredients, any meeting can be a feast for the senses.
