On behalf of the 2021 Tod Silegy Soccer Camp at South Meadow School, I want to **THANK YOU** for registering your child for our *NEW*, HALF-DAY SOCCER CAMP program. All activities for this camp will be played outside.

I look forward to working with all the kids, and expect that it will be a wonderful, personal, soccer camp experience, for everyone involved. I hope campers develop friends for a lifetime at this camp.

Please remember that you can mail in with your registration form the tuition payment, or pay when you register on either Monday. Tuition is \$175.00 per week.

Soccer campers should arrive for first day check in on Monday, June 28, July 5, or July 12. Please drop off your child or children in the UPPER BACK South Meadow School parking lot, from 8:30-8:55. There will be a registration table in the upper parking lot. After you drop off your son or daughter and register, they should walk up the road to the SMS soccer fields. One parent only is allowed to walk their child or children up the hill towards the field and you must wear a MASK please. After the first day of soccer camp, campers should be dropped off at the upper back parking lot each day by 8:55. Campers should walk up to the field. A coach will greet you each day.

The pickup time for ALL campers is at 12:00 sharp please. All campers will walk down the road to the upper parking lot after camp ends, and parents can meet them there to take them home.

Camp starts a 9:00 AM and ends at 12:00-Noon, Monday through Friday.

There will be no awards ceremony this year but campers may win prizes as the week goes on.

Campers should bring with them each day a Comfortable MASK with your child's name on it, hand sanitizer, a change of clothes, shin guards, regular soccer shoes, sneakers, and sunscreen. Please put these items in an easily identifiable backpack with your child's name on it.

**It is IMPERATIVE that all campers bring their own easily identifiable WATER BOTTLE or BOTTLES. There will be water on the field for refilling WATER BOTTLES ONLY! NO ONE WILL BE ALLOWED TO USE ANOTHER CAMPERS WATER BOTTLE, PLEASE.**

There will be Porta Potty's on the field that will be regularly sanitized and there also will be plenty of hand sanitizer for cleaning before and after the bathroom is used.
