

THE HEROIC CAREER JOURNEY™

DESCRIPTION OF THE HEROIC CAREER JOURNEY™ WORKSHOP FROM FLITE Smith Enterprises LLC.

The Heroic Career Journey™ is an interactive in-person workshop that promotes employability and career readiness through the utilization of inspired creativity, learning techniques and frameworks that have been used to create popular heroes in comics, movies, and books.

Students will explore topics that will be used to promote self-advocacy.

Students will learn about the distinct differences in how Super-Man was created versus how Spider-Man was created. The difference speaks to students' ability to overcome personal, family, and societal challenges while navigating school and exploring career options.

Students will receive Workplace Readiness Training:

Students will use a guided framework to tap into their creativity and in doing so learn techniques for making their own resume and cover letter.

Students will learn how to market, promote, and advocate for their selves in interviews by using industry techniques.

Students will learn about personal and professional growth and development by exploring the Hero's Journey story structure that has been used to create many popular stories such as Star Wars,
