

JUSTUS CABINETS, LLC LIMITED 1-YEAR WARRANTY

DESCRIPTION OF WARRANTY

Justus Cabinets warrants to the original consumer that our finished product will be free from defects in materials and workmanship under normal use for 1 year of the recorded date of the original invoice. This warranty is not transferable to subsequent owners. This warranty covers only products by us. Should defects in material or craftsmanship be shown to exist in our cabinetry, we, at our sole discretion, will repair or replace any such defective product covered by this warranty.

INTENDED USE OF PRODUCT

To be covered by this warranty, the product must be used for its intended purpose(s). Cabinets that have been improperly stored, misused, modified, mishandled and/or subject to excessive moisture (including water damage) or extreme temperature and humidity levels are not covered under this warranty. In addition, any damage caused by light (natural or man-made), smoking, grease/oils, household cleaners, environmental conditions, or exposure to abrasive chemicals or solvents are also not covered under this warranty.

ANTICIPATED VARIANCE IN PRODUCT

Wood characteristics naturally occurring such as variations in color, grain, mineral streaks and knots are not considered defects. Wood and wood finishes vary in color and characteristics and will exhibit changes as they age and from normal wear. For example, painted face frames, doors, drawer fronts and other painted products may have visible cracking around joint areas as wood expands and contracts with changes in humidity and temperature. Due to normal variations in the density and graining of wood itself, the same stain applied to another piece of the same wood species may result in a somewhat different appearance. Further, wood may darken or lighten over time. For these reasons, new and/or replacement cabinets may not match existing cabinets.

PRODUCT REPAIR OR REPLACEMENT

We reserve the right to alter design, specifications, and materials without obligation to make similar changes to products previously manufactured. The repair or replacement is contingent upon the current product offerings at the time of the warranty claim. If components are replaced, we cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the original components. Repaired or replaced items carry only the unexpired portion of the original warranty.

RIGHTS OF CONSUMER

We make no other warranty of any kind – express or implied. This warranty does not cover, and we will not be liable for any indirect, special, incidental, or consequential damages of any kind (including, but not limited to, any removal or installation costs, loss of time, loss of use, loss of revenues, ETC. There are no implied warranties beyond the terms of this written warranty.
