## ***BOOSTERTHON 2023-2024***

It's that time of year again! Nebbie Williams Elementary PTA is requesting donations for our annual fundraiser Boosterthon that will be held on October 27, 2023.

Each year, we find ways to support and enhance the instruction that takes place in our school. This is our primary fundraiser which contributes money for our PTA to add instructional items needed for our classroom teachers. It also provides for beneficial learning programs, educational assemblies and field trips.

With the help of businesses and partners like YOU, we can make our main fundraising event a success! Nebbie Williams Elementary PTA is a registered 501(c)(3) non-profit organization that allows all donations to be tax deductible. There are many ways to contribute:
