2022 ANNUAL REPORT

OUR MISSION

Building a stronger, healthier, and connected community through volunteerism while increasing access to food and services.

OUR VISION

Inspire. Impact. Change.

OUR CULTURE

We aim to attract the most passionate and talented people to represent The Just One Project by reinforcing strong values, work-life balance, and diversity. We know that our company culture ultimately affects client experience. Every program is designed with our clients in mind; we are "client-centric."

OUR GIVING PHILOSOPHY

The Just One Project believes generosity is universal. We provide an avenue for you to be socially responsible, ensuring over 96% of every dollar goes directly into our projects. Let us show you that it takes Just One to make a difference in the life of another.

OUR GOLD STANDARD

When it comes to serving our community, The Just One Project aims to provide a specific standard throughout our programs. How would you like your groceries handled? We value the food we serve our clients, and we do so in a clean, efficient, and respectable way. Our goal is to offer the same service as your favorite local grocer. We ask everyone to be mindful of this standard while serving our friends and neighbors.

A LETTER FROM OUR FOUNDER

Dear Friends,

The Just One Project team had another meaningful year serving our community, and we couldn't feel more grateful for all the support during 2022. We expanded our Food For All programs, we welcomed our first CCSD Community Market location, and created Farmers Markets! We launched Leadership Academy and Homeless Prevention. We expanded to a fleet of 11 vehicles to serve more homebound clients and grew to over 50 talented and passionate staff members.

While we have felt growth and change within our organization, we stayed true to our client-centric values, honored our gold standard of serving, and focused on connecting generous givers to incredible ways to serve others in Southern Nevada.

To our Clients: We work hard to ensure you feel a certain energy when you step into The Just One Project. It is a place of light, love, respect, and compassion. It is a place where all are greeted and welcomed with open arms and a friendly smile. *We love all of our clients, and we thank you for trusting us!*

To our Volunteers: Creating The Just One Project's energy outside of our walls is only achieved through magical VOLUNTEERS! It is by serving with your whole heart, passion, and dedication that aligns with our vision of "how to serve." *We truly have the best volunteers in Southern Nevada!* Thank you for being so committed to our community!

To our Mission Partners, Community Partners, and Three Square: Your generosity is crucial to The Just One Project serving our neighbors. Only with your help can we stay innovative, keep up with the demands of our community, and fill gaps. You may not see all of the smiling faces, but you helped us serve **243,795 people across Southern Nevada** by bringing food to the hands and homes of our neighbors, placing people in stable housing, and connecting clients to our self-development classes to thrive and meet their goals. Thank you for making all of this possible!

To our Team: Every day you show up, you are ready to be an anchor, an angel, or an advocate for our clients. We are all a part of something bigger than us. *There is no greater gift than what we are working on together.* I'm thankful I have all of you to spend my workdays with. You inspire me and give me purpose and help execute our shared vision.

Your hard work and dedication are unmatched. I'm in constant awe of you and have learned so much working with you.

Cheers to 2023 ... Go Team Go!

With Love,

Brooke Neubauer

CLIENT TESTIMONIALS

Meet Joe

Before finding The Just One Project, Joe was experiencing homelessness, unemployment, and coping with a disability.

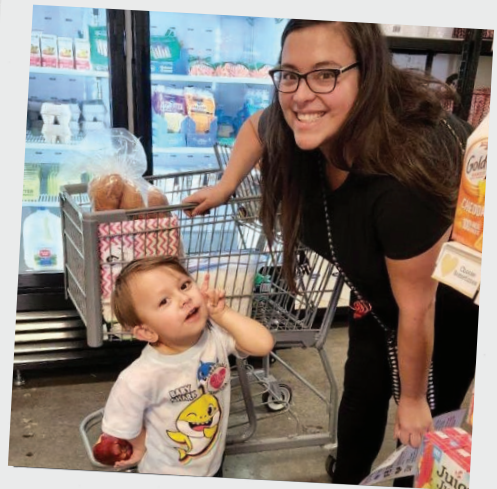

Many barriers prevented him from securing safe and stable housing. Our case manager started working with Joe to gain stability, reach his goals, and helped connect him to safe place to call home.

We are happy to share that Joe is no longer experiencing homelessness.

Gabriela is a single mother of five and works very hard to provide for her children. But when times got tough, and she didn't have the resources to provide quality nutrition for her and her children, she came to The Just One Project.

During her visits, she shops for colorful, vibrant, fresh food at no cost. We are so grateful that Gabriela trusted The Just One Project's Case Management Team to be connected to other resources that she needed.

She entered a place created for people just like her and her family and now they don't have to worry about where their next meal is coming from.

Meet Gabriela

There are thousands of people in Southern Nevada just like Joe and Gabriela. With your support, we can make a difference together.

VOLUNTEER LIKE A BOSS[®]

Our volunteers are the heart and soul of The Just One Project programs. Giving your time has a ripple effect that spreads throughout our community, and The Just One Project couldn't do what we do without our volunteers.

With volunteer opportunities throughout the week and on Saturdays, with no age requirement, we invite your employees and their families to connect with us for a hands-on opportunity to give back to the community.

We encourage volunteers of ALL AGES to join us on our mission to keep the community connected.
